Vote on a request to adopt rates for public use of electric vehicle (EV) charging stations

Action Requested: Vote on a request to adopt rates for public use of electric vehicle (EV) charging stations

Introduction & Background: The grant-funded Level 2 electric vehicle charging station is expected to be operational and open to the public by November and the DC fast electric vehicle (EV) charging station will be complete by December. The following charges are recommended to users of the charging stations to cover the cost of operation and use of electricity at the sites: DC fast charge station: $0.30 per kilowatt hour; Level 2 charging station: $0.15 per kilowatt hour
