Dear Mr. Vaughn:

On behalf of the Board of Commissioners of Chatham County, NC, I want to express our enthusiastic and complete support for the certification and development of the 1,625 acre site on the Chatham and Randolph County border.

We look forward to working with you, the Town of Siler City, and the Chatham Economic Development Corporation to help create the first certified megasite in the State of NC. As you know, this site has the potential to create hundreds, if not thousands, of jobs in NC and boost both the local and regional economies.

We look forward to working with you during the certification process and will be willing to assist in any way possible.

Sincerely,

Walter Petty
Chair, Chatham County Board of Commissioners
