Why do you wish to serve in this capacity? I am a widow as of 2022. I have lived in Chatham in Abeysance off Pittsboro-Moncure Rd since 1998. It's time for me to take a more active role in areas that I care about in our wonderful community. Affordable Housing was always an interest of mine. I grew up in rental units. In part, it is why I went into real estate. So that is top of the list. The Equalization and Review Board would be a HUGE help for my understanding of local issues and I believe my level, dispassionate approach would be an asset. I have an 80 yr old sister who may in time need assisted living as she has only me as family so I want to educate myself for her sake and that of other friends. No openings in Library Committee. That is of interest also.

Education/Experience: I am a realtor with HPW. I have combined 15 years of experience administering programs, liaison, planning, grants, etc at NCSU and UNC-CH+Hospital in area of sustainable transportation; I have combined approx 20 yrs experience in civil engineering drafting and design and cartographic drafting. Nursing homes: My sister is a Chatham resident, She is 80 and may need one and I need to educate myself and support what is being done. I know several people in the sliding scale Walnut Grove complex and am familiar with their issues.

Civic Involvement: hmmm I am on the Town's Economic Vitality Committee and support meetings about the current Vision Plan initiative. I am on the Government Affairs Committee for the Orange Chatham Assoc of Realtors. In that capacity I attend monthly meetings about Chapel Hill's UNC Rails to Trails initiative, presided over by Congressman Graig Meyer. I am in the Chatham Chamber of Commerce. I am active in my spiritual (Buddhist) organization. I can't remember anything else, off the top of my head. I can supply a c.v. if preferred.
