Retiree-Only Health Plan Attestation

As a part of the Consolidated Appropriations Act (CAA), the No Surprises Act became effective January 1, 2022, and provides cost transparency and protections for consumers against surprise medical billing. 'Retiree-only plans', as defined under the Employee Retirement Income Security Act of 1974 (ERISA), are exempt from these surprise billing protections.

A retiree-only plan is health care coverage that employers may only offer to retired or retiring employees. Retiree-only plans:

- May be similar to the plans offered to employees actively working.
- May have no more than one enrollee on the plan that is a current employee.
- All other enrollees must be retirees to be considered a retiree-only plan under ERISA.

Blue Cross and Blue Shield of North Carolina (Blue Cross NC) needs your attestation to appropriately identify a plan as a retiree-only plan.

- The retiree-only status of a health plan is determined on the first day of such plan year coverage.
