**Re: Request for Permit for a Firework Show**

To Whom it May Concern,

We would like to request approval to perform a firework show for a wedding located at The Bradford Wedding and Event Venue, 523 Pea Ridge Rd, New Hill, NC 27562. Our company, NC Fireworks, is fully licensed with North Carolina State Fire Marshal office and is fully insured. Tim Tucker has been performing Firework shows in North Carolina for 9 years. Our shooter, Tim Tucker, is fully licensed in NC with the NC Office of the State Fire Marshal. Insurance for the firework show has already been bound and written with Ryder Rosacker McCue with the Venue as Certificate holder. The site location has been reviewed and a site map has been created which we find this to meet all NFPA regulations and is a safe location to utilize. The show will be operated under the supervision of the fire marshal. Should you have any questions or concerns I would be happy discuss this show and can be reached at the number below.
