(NC Department of Public Safety – Division of Juvenile Justice)

THE TERMS AND CONDITIONS OF THIS LEASE AGREEMENT ARE AS FOLLOWS:

1. The term of this lease shall be for a period of **three (3) years**, commencing on the **1st day of July, 2025** (the "Commencement Date"), or as soon thereafter as the leased premises are ceded to the Lessee and terminating on the **30th day of June, 2028**.

2. During the term of the lease, the Lessee shall pay to the Lessor as rental for said premises the sum of **\$1.00** Dollar per annum to be payable within fifteen (15) days from receipt of invoice.

The Lessee agrees to pay the aforesaid rental to Lessor at the address specified, or to such other address as the Lessor may designate by a notice in writing at least fifteen (15) days prior to the due date.

3. Lessor agrees to furnish to the Lessee, as a part of the consideration for this lease, the following services and utilities to the satisfaction of the Lessee.

- A. Heating facilities, air conditioning facilities, adequate electrical facilities, adequate lighting fixtures and sockets, hot and cold-water facilities, sewer services, and adequate toilet facilities.
- B. Janitorial services and supplies including maintenance of lawns, parking areas, common areas, and disposal of trash.
- C. All utilities except telecommunications.
- D. Parking as available.
- E. The leased premises are generally accessible to persons with disabilities. This shall include access into the premises from the parking areas (where applicable), into the premises via any common areas of the building and access to accessible restroom.
- F. All other terms and conditions of the signed "Proposal to Lease to the State of North Carolina" Form PO-28 incorporated herein by reference and the "Specifications for Non-advertised Lease" (Exhibit B).

4. During the lease term, the Lessor shall keep the leased premises in good repair and tenantable condition, to the end that all facilities are kept in an operative condition. Maintenance shall include, but is not limited to furnishing and replacing electrical light fixture ballasts, air conditioning and ventilating equipment filter pads, if applicable, and broken glass. In case Lessor shall, after notice in writing from the Lessee in regard to a specified condition, fail, refuse, or neglect to correct said condition, or in the event of an emergency constituting a hazard to the health or safety of the Lessee's employees, property, or invitees, it shall then be lawful for the Lessee in addition to any other remedy the Lessee may have, to make such repair at its own cost and to deduct the amount thereof from the rent that may then be thereafter become due hereunder. The Lessor reserves the right to enter and inspect the leased premises, at reasonable times, and to make necessary repairs to the premises.

5. It is understood and agreed that Lessor shall, at the beginning of said lease term as hereinabove set forth, have the leased premises in a condition satisfactory to Lessee, including repairs, painting, partitioning, remodeling, plumbing and electrical wiring suitable for the purposes for which the leased premises will be used by Lessee.

6. The Lessee shall have the right during the existence of this lease, with the Lessor's prior consent, to make alterations, attach fixtures and equipment, and erect additions, structures or signs in or upon the leased premises. Such fixtures, additions, structures or signs so placed in or upon or attached to the leased premises under this lease or any prior lease of which this lease is an extension or renewal shall be and remain the property of the Lessee and may be removed therefrom by the Lessee prior to the termination of this lease or any renewal or extension thereof, or within a reasonable time thereafter. The Lessee shall have no duty to remove any improvement or fixture placed by it on the premises or to restore any portion of the premises altered by it. In the event Lessee elects to remove his improvements

or fixtures and such removal causes damage or injury to the demised premises, Lessee will repair only to the extent of any such damage or injury.

7. If the said premises be destroyed by fire or other casualty without fault of the Lessee, this lease shall immediately terminate and the rent shall be apportioned to the time of the damage. In case of partial destruction or damage by fire or other casualty without fault of the Lessee, so as to render the premises untenable in whole or in part, there shall be an apportionment of the rent until the damage has been repaired. During such period of repair, Lessee shall have the right to obtain similar office space at the expense of Lessee or the Lessee may terminate the lease by giving fifteen (15) days written notice to the Lessor.

8. Lessor shall be liable to Lessee for any loss or damages suffered by Lessee which are a direct result of the failure of Lessor to perform an act required by this lease, and provided that Lessor could reasonably have complied with said requirement.

9. Upon termination of this lease, the Lessee will peaceably surrender the leased premises in as good order and condition as when received, reasonable use and wear and damage by fire, war, riots, insurrection, public calamity, by the elements, by act of God, or by circumstances over which Lessee had no control or for which Lessor is responsible pursuant to this lease, excepted.

10. The Lessor agrees that the Lessee, upon keeping and performing the covenants and agreements herein contained, shall at all times during the existence of this lease peaceably and quietly have, hold, and enjoy the leased premises free from the adverse claims of any person.

11. The failure of either party to insist in any instance upon strict performance of any of the terms and conditions herein set forth shall not be construed as a waiver of the same in any other instance. No modification of any provision hereof and no cancellation or surrender thereof shall be valid unless in writing and signed and agreed to by both parties.

12. Any hold over after the expiration of the said term or any extension thereof, shall be construed to be a tenancy from month to month, and shall otherwise be on the terms and conditions herein specified, so far as applicable; however, either party shall give not less than sixty (60) days written notice to terminate the tenancy.

13. The parties to this lease agree and understand that the continuation of this lease agreement for the term period set forth herein, or any extension or renewal thereof, is dependent upon and subject to the appropriation, allocation or availability of funds for this purpose to the agency of the Lessee responsible for payment of said rental. The parties to this lease also agree that in the event the agency of the Lessee or that body responsible for the appropriations of said funds, in its sole discretion, determines, in view of its total local office operations that available funding for the payment of rents are insufficient to continue the operation of its local offices on the premise leased herein, it may choose to terminate the lease agreement set forth herein by giving Lessor written notice of said termination, and the lease agreement shall terminate immediately without any further liability to Lessee.

14. All notices herein provided to be given, or which may be given by either party to the other, shall be deemed to have been fully given when made in writing and deposited in the United States mail, certified and postage prepaid and addressed as follows:
