# Providers by Members Served

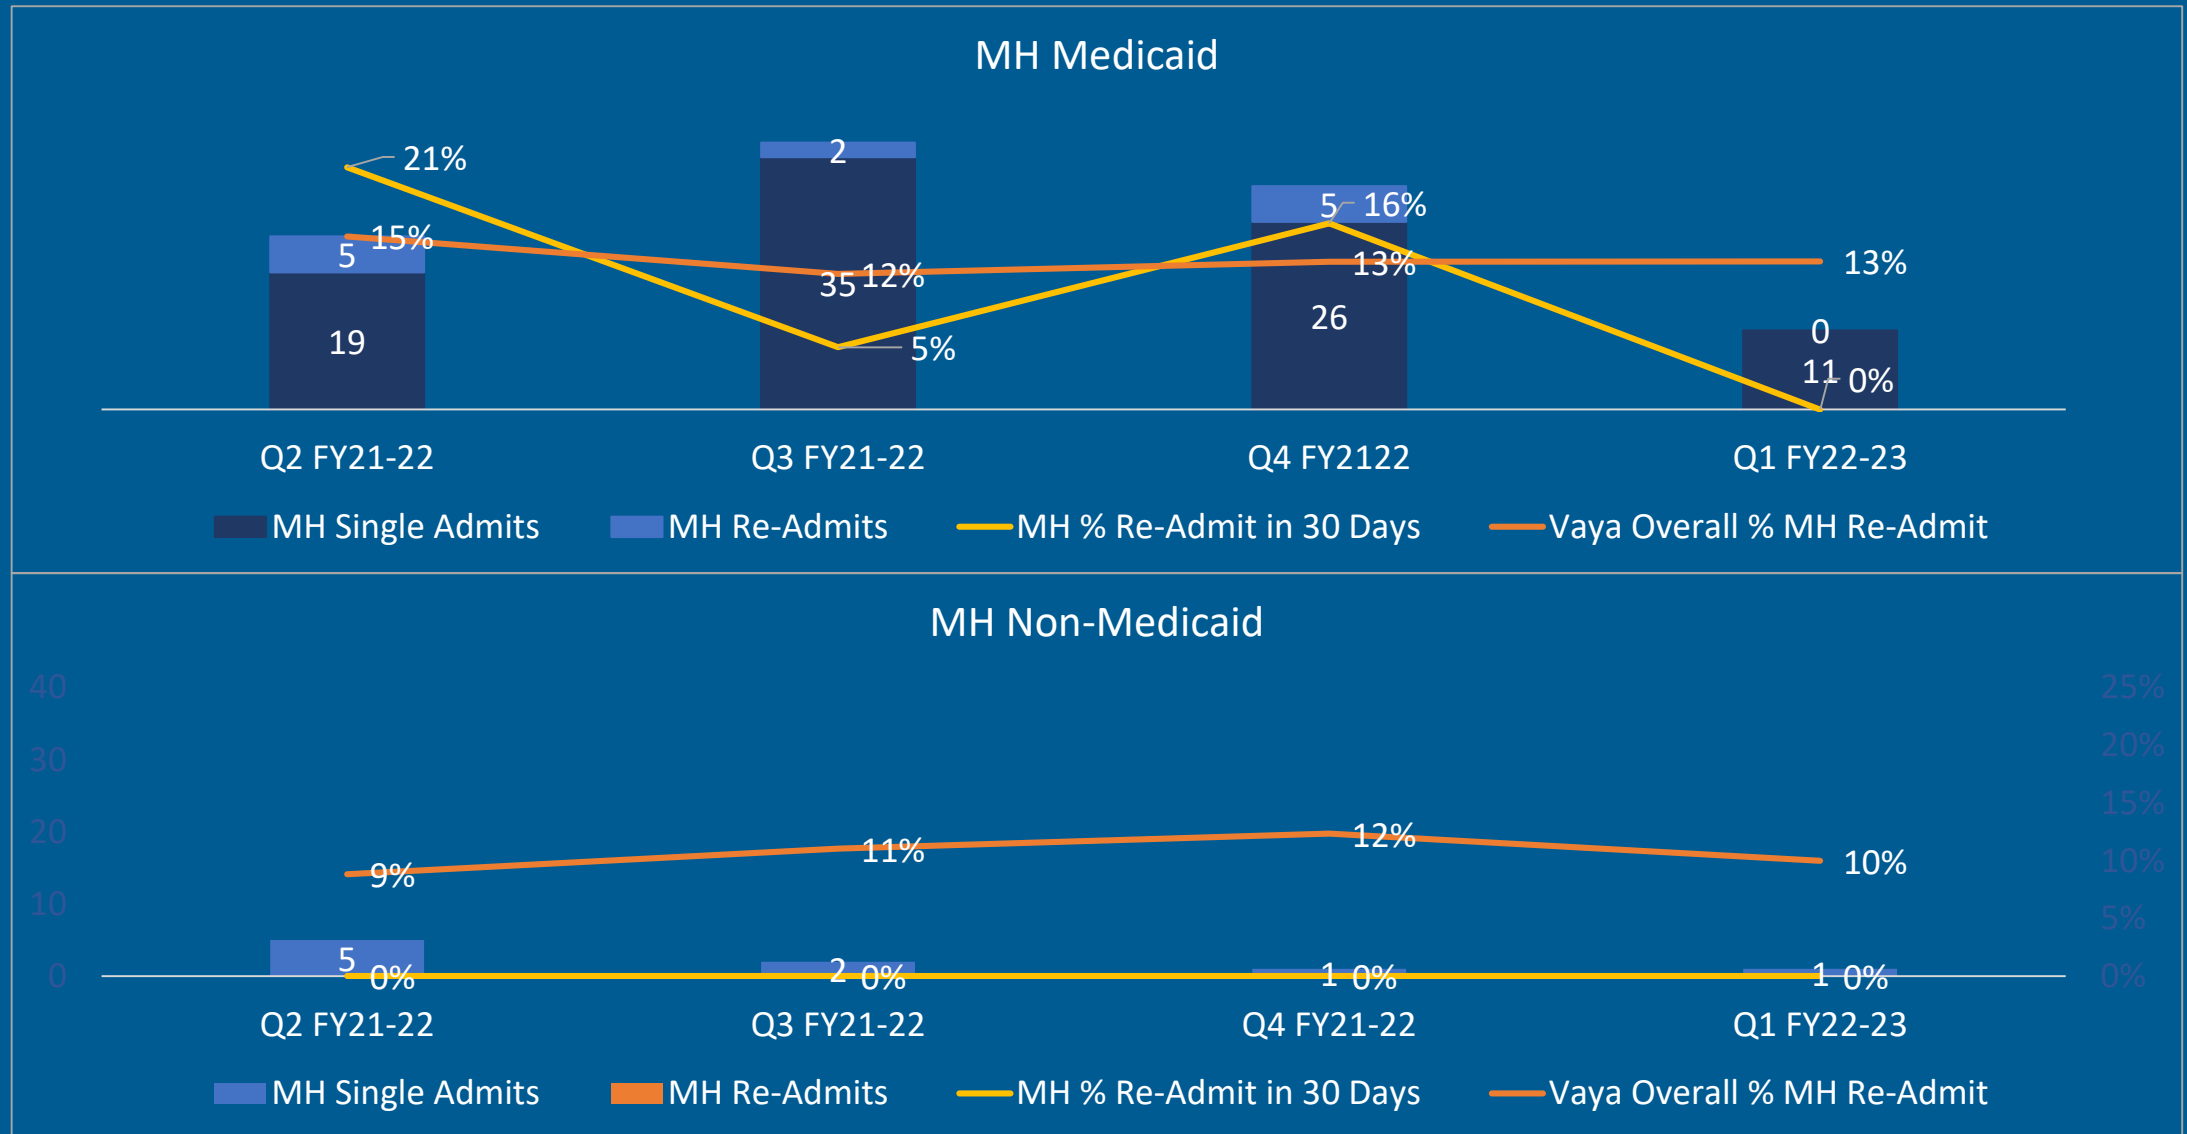

# Members Eligible for Innovations Services

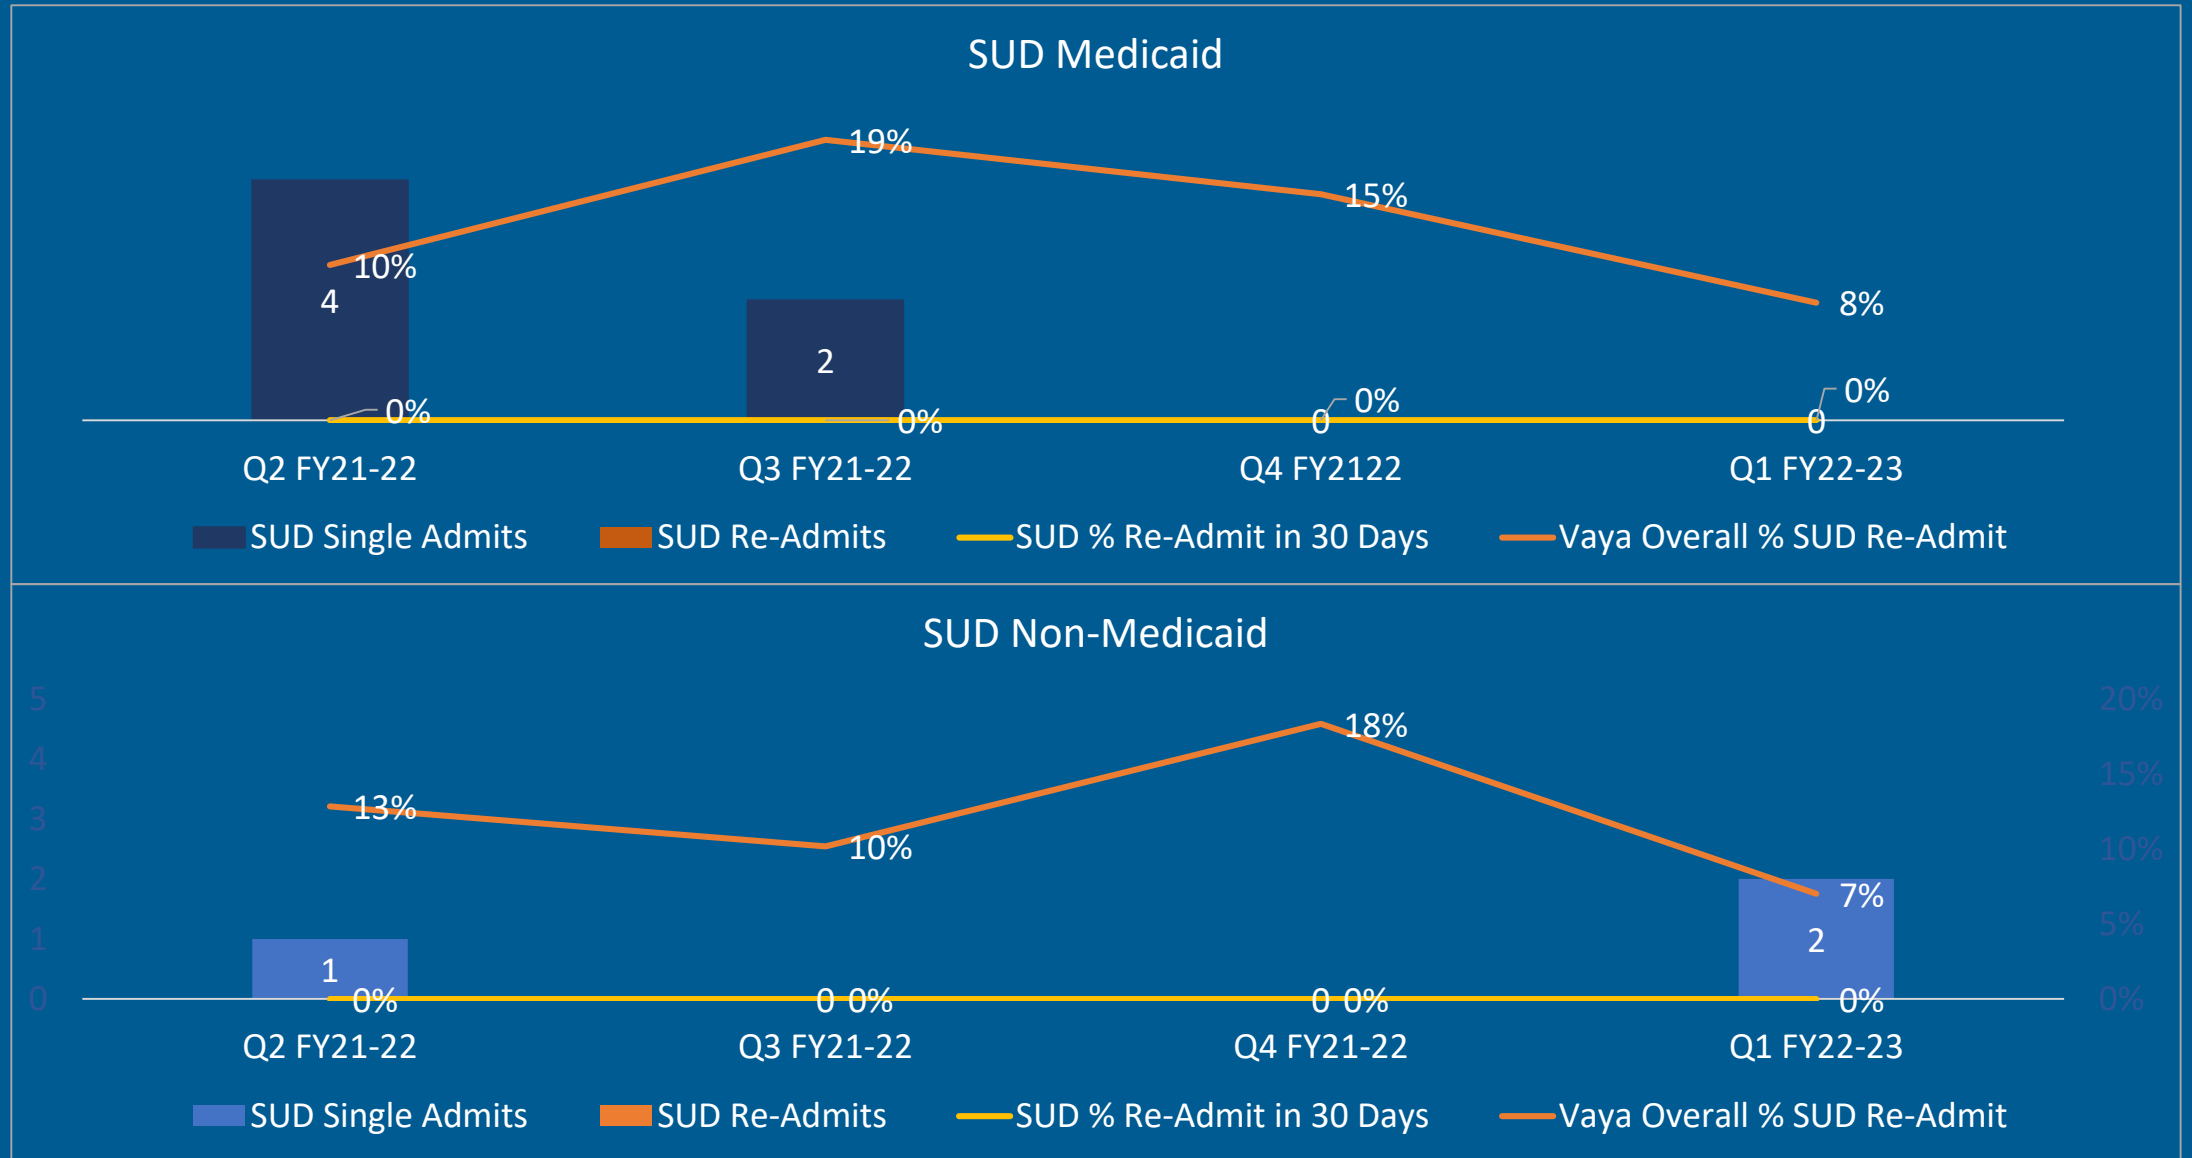

- The NC Innovations Waiver serves people who would live in an intermediate care facility for intellectual disabilities, giving them the opportunity to live in a community setting instead of an institution or group home.
- To obtain an Innovations Waiver slot, an individual completes the Supports Intensity Scale (SIS) Assessment and is deemed eligible based on level of care needed to complete activities of daily living and make progress towards personal goals.
- Individuals awaiting a Waiver Slot are placed on the Registry of Unmet Needs (RUN) and receive services to help provide support while awaiting an Innovations Waiver slot.
