

**Dear Duke Energy Small Business Customer,**

Thank you for considering the Duke Energy Small Business Energy Saver program. As Program Manager, I would like to briefly explain the program and introduce **Willdan**. Duke Energy has partnered with Willdan to provide this program that can help small business customers save energy and money.

**Duke Energy Small Business Energy Saver** program offers:

- **A free, no-obligation energy assessment**
- **Specific energy-saving recommendations for your small business**
- **Coverage for up to 80 percent on select lighting and refrigeration improvements and up to 10 percent on certain HVAC upgrades**
- **Convenient installation scheduled around your business's needs**
- **Total turnkey satisfaction**

If you have any questions regarding the program, please consult your Small Business Energy Saver representative from Willdan, who will be able to explain the program in detail. Should you have any additional questions or concerns, please feel free to contact me directly at Duke Energy at 919.546.2165.

Thank you again for considering the Small Business Energy Saver program. I encourage you to take advantage of this important energy-saving opportunity today.

Sincerely,

Jeremy Morrison (he/him)  
Sr. Program Manager
