**Re: Recommendation of Award
Highway 902 Pump Station Chemical Booster Station
Single Prime Contract
Hazen Project No. 32249-002**

Dear Mr. Mills:

Chatham County received three (3) bids for the Highway 902 Pump Station Chemical Booster Station project on April 27, 2022 at 2:00 pm in the Chatham County Finance Department Conference Room of the Courthouse Annex (12 East Street, Pittsboro, NC 27312).

All three (3) bids were opened and read aloud by Michele Peluso of the Chatham County Finance Department at the public bid opening. Carolina Civilworks, Inc. was announced as the apparent low bid at \$670,134.00. Hazen and Sawyer has reviewed the proposal and believes the proposal package is complete, responsive, and responsible. Hazen has worked with Carolina Civilworks on similar projects in the past; based on their successful completion of those projects, we agree they are qualified to complete your project.
