Why do you wish to serve in this capacity? I seek to serve Chatham County with a deep commitment to civic engagement and a vision for nurturing a thriving community. My professional journey of over 35 years, encompassing business leadership, design, public works, and crisis management, has afforded me a wealth of expertise. This aligns perfectly with the multifaceted needs of our county. Active roles in federal and local government projects have sharpened my ability to tackle complex challenges with effective solutions. I aim to apply this background to enhance our county's public services, infrastructure, and emergency preparedness. As a steward of Chatham County, my dedication is to foster sustainable development and a high quality of life for every resident. It's a privilege to potentially contribute to our community's legacy of growth, resilience, and prosperity.

Education/Experience: I am a well-educated professional holding an Associate of Applied Science from Suffolk Community College and have furthered my academic pursuits with coursework at Empire State College, part of the State University of New York (SUNY) system. My commitment to continuous learning propelled me to undertake specialized courses in Homeland Security through Capella University, integrating Federal Emergency Management Agency (FEMA) protocols into my expertise. My technical proficiency is certified by the Contractor State License Boards of California, Nevada, and Arizona, where I hold licenses in General Engineering and General Contracting. Additionally, I am recognized by the Department of Homeland Security as a certified Security Training Instructor, a testament to my comprehensive knowledge and skill set in the security domain.
