# WHY?

## ***STRATEGIC APPROACH***

**INCREASE TEACHER RESOURCES**

**TARGETED PROFESSIONAL DEVELOPMENT**

**COMMUNITY COLLABORATION**

2024 / 2025

GOALS

# GOALS

2024/2025

## Healthful Living Essential Standards

**Objectives:** Assess alignment with current standards & conduct professional development around updated standards.

**Goal: Implement revised standards by August 2025**

# GOALS

2024/2025

## Classroom Energizers

**Objective:** Develop classroom energizer resource for all classroom teachers.

**Goal: Increase opportunity for physical activity during the school day.**

# GOALS

2024/2025

## Nutrition Literacy.

**Objective:** Create and share staff development on nutrition literacy for Physical Education & Healthful Living staff. Collaborating with CC Public Health Department Staff and NC Cooperative Extension.

**Goal: increase opportunity for applicable literacy credits for staff.**

# GOALS

2024/2025

## ATOD Guidance

**Objective:** Implement ATOD guidance developed through Chatham Drug Free. Guidance will be reviewed by SHAC, Chatham Drug Free & the Chatham County Public Health Department

**Goal: increase teacher access to resources for ATOD instruction.**

# GOALS

2024/2025

## Media Ready.

**Objective:** Collaborate with digital learning specialist to implement media ready instruction through CCS media specialists & librarians.

**Goal: Increase student access to ATOD instruction.**

2024/2025

## Pacing Guides

**Objective:** Develop pacing guides for K-5, K-8, Middle School and High School Healthful Living to support standardization of instruction across the district.

**Goal: Increase consistency of instruction across the district.**

# GOALS

2024/2025

## Vaping

**Objective:** Continue to review the alternative to suspension options for students in violation of the CCS tobacco policy. Support the implementation of evidenced-based instruction

**Goal: Support students that are facing addiction to nicotine.**

# GOALS

2024/2025

## BTAM

**Objective:** Participate in the development of **Behavior Threat Assessment and Management** teams across the district.

**Goal: Support schools in creating safe learning environments.**
