

NCGS 143-129.(e)(6)

(6) Purchases of apparatus, supplies, materials, or equipment when: (i) performance or price competition for a product are not available; (ii) a needed product is available from only one source of supply; or (iii) standardization or compatibility is the overriding consideration. Notwithstanding any other provision of this section, the governing board of a political subdivision of the State shall approve the purchases listed in the preceding sentence prior to the award of the contract.

In the case of purchases by hospitals, in addition to the other exceptions in this subsection, the provisions of this Article shall not apply when: (i) a particular medical item or prosthetic appliance is needed; (ii) a particular product is ordered by an attending physician for his patients; (iii) additional products are needed to complete an ongoing job or task; (iv) products are purchased for "over-the-counter" resale; (v) a particular product is needed or desired for experimental, developmental, or research work; or (vi) equipment is already installed, connected, and in service under a lease or other agreement and the governing body of the hospital determines that the equipment should be purchased. The governing body of a hospital shall keep a record of all purchases made pursuant to this subdivision. These records are subject to public inspection.
