11. Please demonstrate your interest, experience, or expertise relevant to the subject matter of the committee: I am an avid reader and have been a member of the Pittsboro Library and the Chatham Library since 2008. I am active in the Chess club on Saturday and have brought new members to this group. I am interested in having Chatham associations collaborate with the Chatham Library. With this in mind, I have volunteered with the Senior Center in Pittsboro and taught a chess class, and brought graduates to the chess club. I am interested in helping create more activities at the Library in collaboration with Chatham organizations. I am also volunteering in the Pittsboro school system, and I find that the Chatham library is underutilized by students. I volunteer for Chatham Literacy, a non-profit already using the library. I am retired and therefore have plenty of time to work on the Library Advisory Committee and want to promote usage of the library services by all residents. Having run my own business for over 40 years, I am very familiar with reading financial information. Thanks!
