Dear Mr. Judson,

I am requesting approval from the Chatham County Board of Commissioners to present a fireworks display on December 31, 2024, at the Oakland Farms wedding venue located at 3355 Rosser Rd, Bear Creek, NC 27207. The fireworks are for a wedding and New Years Eve celebration and will begin at midnight. The show is only expected to last about 5 minutes.

I met onsite with Ms. Olivia Norris, Manager at Oakland Farms, and we discussed locating the fireworks as shown in the attached site diagram. Oakland Farms owns the property where the spectators will be located and where the fireworks will be placed.

The largest shell is 6" in diameter. 2.5", 3" shells, and cakes will also be used. Shell counts are as follows:

2.5" – 96 shells  
3" – 10 shells  
6" – 2 shells  
Cakes – 4 total

I have submitted the required documentation under separate cover. If you have any questions or concerns, please do not hesitate to contact me.

Thank you for your consideration.

Sincerely,

John Cavaroc
