

SPOT 6.0 Project Submittal

Chance Mullis
Planner I

SPOT 6.0

Below you will find information about the overall process of SPOT 6.0.

1. DRAFT A TENTATIVE PROJECT LIST

The first step I took was putting together a draft list of projects for Chatham that I believed would be the best possible submissions for the county in the MPO and RPO regions.

I went and met with the MPO and RPO subcommittees to discuss projects and the what may have potential and what would best to submit.

3. SUBCOMMITTEE WORKGROUPS

2. MEET WITH TAC AND BOC

I met with the TAC and they made their comments and changes to the list of projects for SPOT 6.0.

After endorsement is reviewed, I will take these projects back to subcommittees to then finalize what projects may get picked to be submitted in its proper mode.

4. PROJECTS GO BACK TO MPO AND RPO

SPOT 6.0 Project Submittal

TARPO

Highway					
Route	From/Cross Street	To/Cross Street	Description	County	Notes
NC 902	NC Highway 22-42	US 421 S	Modernization (Roadway conditions from excessive truck traffic)	Chatham	Maybe Split up into 4 segments
NC 902	US 421 S	NC 87 Bypass	Modernization (Roadway conditions from excessive truck traffic)	Chatham	
NC 42	NC 22	Ronald Scott Rd	Realign Multiple Intersections (Road safety audit needed at Intersections with high crash volume)	Chatham	
US 421	NC 902	NC 902	Construct Interchange (safety concerns due to school traffic)	Chatham	
Piney Grove Church Rd	Staley Snow Camp	Ed Clapp	Modernization (Narrow Roadway)		

Not as high Priority					
Moncure Flatwoods Rd	Corinth Rd	Christian Chapel Rd	Modernization (portion of roadway not paved)	Chatham	Megasite may eliminate this
R. Jordan Rd/Gulf Rd	Rosser Rd	US 421	Modernization (Flooding/Needs Upgrades/Multiple Rail Crossing)	Chatham	The projects above would likely score much better.

Highway					
Route	From/Cross Street	To/Cross Street	Description	County	Notes
Andrews Store Rd	Manns Chapel Rd	Manns Chapel Rd	Intersection Improvements	Chatham	
Andrews Store Rd	Woodland Grove Ln	Andrews Store Rd	Intersection Improvements: Signalization	Chatham	
Jack Bennett Rd	Lystra Rd	Farrington Point	Modernization	Chatham	Portion from Jack Bennett to Farrington Point can be submitted
Farrington Point Rd	Farrington Point Rd (1008)	Old Farrington Point Rd (1726)	Intersection Improvemnts: Roundabout	Chatham	

BIKE/PED					
Route	From/Cross Street	To/Cross Street	Description	County	Notes
O'Kelly Chapel Rd	American Tobacco Trail	American Tobacco Trail	Install HAWK signal at crossing of O'Kelly Chapel Road	Cary-Chatham	On list to submit

We can follow this link below to view a map I have created to view the projects and their details.

<http://arcg.is/41qqb>

The image features a background of a network diagram with various nodes and connecting lines. A large, semi-transparent red rectangle is centered horizontally and vertically, covering most of the image. Two solid dark blue squares are positioned at the top and bottom center, partially overlapping the red rectangle and the network background. The text "THANK YOU" is centered within the red rectangle in a white, bold, sans-serif font.

THANK YOU
