Why do you wish to serve in this capacity? Chatham County is rapidly growing and I believe that this growth can most smoothly be accomplished with citizens committed to working with the county's elected representatives to bring additional information and views. I have 18 years of experience working alongside elected officials in Chapel Hill to help guide the growth primarily in Chapel Hill but, as related to transportation, in the regional area as well. I believe my experience in the various advisory and leadership roles I had there could be beneficial to Chatham County as it undergoes this new phase of its growth.
