Why do you wish to serve in this capacity? I applied for the Planning Board in 2022, this statement is similar to the one submitted previously. We have lived in NC and Chatham County for 15 years, through the years I've become more aware of the importance of land use planning, in particular protecting our natural resources, and responsible industrial and economic growth. Finding a balance between protecting our rural communities, watersheds and also supporting increased job opportunities for the people of Chatham, is essential for our future. I am concerned, as are many, that new developments are held to high standards. In 2020 I retired from my career of 43 years as an American Airlines Flight Attendant, so I have time to give. Although I do not have an extensive formal education, I am a well self-taught person, the daughter of an attorney and teacher, and have a knack for comprehending legal documents. I am an avid reader and an excellent researcher. Also, I am a hard worker, and do not volunteer lightly or frivolously.

Education/Experience: San Antonio Winston Churchill High School. San Antonio Community College for 2 years. Flight Attendant for 43 years. Worked as a Graphic Artist part time in Manhattan NY for many years and taught ceramic pottery classes for 10 years. In NC, attended Botany and Botanical classes at UNC. I served as Board Secretary for 2 years for our Manhattan Co-op. Served 4 years on the Redbud Landowners Association Board, 2 years as Secretary, and one as Board President.
