| <input type="checkbox"/> Transportation Advisory Committee | <input type="checkbox"/> Climate Change Advisory Committee |
| <input type="checkbox"/> Zoning Board of Adjustment | <input type="checkbox"/> Environmental Review Advisory Committee |
| <input type="checkbox"/> OTHER: _____ | |

Why do you wish to serve the county in this capacity?

Prior to moving to Chatham County we lived in Orange County and I served on the Orange County Board of Health as the engineering representative. One of those three years of service I was chair. We had a marvelous Board that really made a difference - not because of the Board per se, but because of the profoundly qualified staff. Working collaboratively, much was accomplished. Most notably was the startup of a "Family Practice", We also looked carefully, within existing statutes, at well and septic tank issues in the County. Other than my election to the Town Council in Chapel Hill, no public service I have participated in was more rewarding than the BOH service. The County has a great staff and director and I'd like to be part of their continuing service to the county residents..

EDUCATION

Please list your educational background. Include names of schools and degrees held.

Duke University, BS in Civil Engineering
UNC School of Public Health, MS in Environmental Engineering

CURRENT OR MOST RECENT EMPLOYMENT

Name of Employer: Black & Veatch Retired (5 years)
Address of Employer: Cary, NC is local office
Position: Vice President, Water Reuse Practice
