

# HTF RECOMMENDATIONS

Following the December 2024 awards, \$140,000 remains unallocated in the Housing Trust Fund. The Affordable Housing Advisory Committee recommends the following:

1. Award \$120,000 to Habitat for Humanity to support infrastructure development for the Roberts Run project, which will include 72 affordable townhouses.
  2. Award \$20,000 to support repair and accessibility improvements for low-income homeowners in Chatham County. This supplements a \$150,000 award from December.
