Good Morning,

A simple email from the City of Sanford confirming their agreement for the Flock camera to remain on the property once the transfer occurs would be sufficient. If they prefer, completing our standard permission template would also work.

I can certainly put this documentation on file now, so you won't need to worry about it in the future when the property officially transfers to the City of Sanford.

A quick scheduling update, 3 locations are in service. Bumping up the the **Deployment Tracker** [\[link\]](#) in case you need it.

Thank you!
