SPECIAL PRESENTATION

[22-4257](#) Recognition of recent County retirees

Chair Howard read a statement about Wes Collins into the record and congratulated him on his nine years of service to Chatham County. Mr. Collins said he will miss everyone, and it has been an honor to serve.

County Manager, Dan LaMontagne, also introduced the new Council on Aging Director Ashlyn Martin.

PUBLIC INPUT SESSION

No one signed up to speak.

BOARD PRIORITIES

[22-4255](#) Update from Chatham Trades

Attachments: [Chatham Trades Video by Local Government Federal Credit Union](#)

Executive Director of Chatham Trades, Shawn Poe, addressed the Board and presented a video produced by the Local Foundation of North Carolina.

Chair Howard said as a parent of a special needs child, this touched her very deeply. She was so glad to know the Chatham community valued these individuals as an essential and appreciated part of the community.

[22-4258](#) Update from Vaya Health on performance.

Regional Director of Vaya Health, Cara Townsend, gave a presentation to the Board. (Presentation attached)

Ms. Townsend said Jennie Kristiansen was a thought leader that provoked a lot of thought within the region and Vaya staff really enjoyed working with her.

In North Carolina, we have typically been a facility based instead of a family-based welfare system. The State was currently working on a Childhood Family Specialty Plan. There were pros and cons to the plan, and it was not fully worked out. Vaya was very concerned about the providers and the timeline of this plan.

Chatham sent a letter to the North Carolina Secretary of Department of Health and Human Services and so did the North Carolina Association of County Commissioners.

Chair Howard asked how providers could reach residents on the borders of counties not contiguous for the region. Ms. Townsend said Vaya can have some providers come to the clients here in Chatham. Chair Howard said hopefully this would inspire providers to expand their services.

Commissioner Hales asked Ms. Townsend to connect with Second Bloom. She could give Ms. Townsend their contact information.

Commissioner Logan said the school systems also partnered with agencies to bring services to their students. He asked what type of relationships Vaya had with the school districts in the region. Ms. Townsend said Vaya had partnerships that were working well but could be better. They were looking for creative solutions, especially due to the increased suicide rate. Commissioner Logan would like to talk to her more about that. He did not think the general public was aware of the increased mental health stress on students. He said more steps for preventive care and immediate treatment were needed.

Chair Howard said schools had a partnership and she was not sure if it was under Vaya or not and whether it was ongoing.

Receive FY2022 Third Quarter Budget Update

Attachments: [FY22 3rd Quarter Budget Update](#)

Budget Director, Darrell Butts, gave a presentation to the Board. (Presentation attached)

Commissioner Logan said it seemed like the County was doing well. Mr. Butts said the County was blessed with a good collection percentage thanks to Jenny Williams and the Tax department.

CLERK'S REPORT

Lindsay Ray reminded the Board of the Chatham Development Briefing on April 26th. The commissioners would receive email notifications that they were registered. The commissioners' budget one-on-ones with staff would be held at county manager's office conference room. On May 2nd there would be the presentation of the Chatham County budget and May 4th there would be the Legislative Breakfast at the Agriculture Center.

MANAGER'S REPORT

Dan LaMontagne said the presentation of G.R.E.A.T. grant broadband maps had been delayed due to the State's new deadline. The Department of Information Technology (DIT) had extended the deadline to May 16th. The public hearing was not ready yet for VinFast because the incentive agreement was incomplete. The public would be given ten days' notice beforehand after some data had been finalized.

COMMISSIONERS' REPORTS

Vice Chair Gomez Flores had nothing to report.

Commissioner Hales asked if there was any development activity happening at the Triangle Innovation Point site. Mr. LaMontagne said it had not started yet. There were no incentive or state agreements that have been finalized. The site has already been zoned but the project still has to go through the appearance commission, site planning, stormwater with the County. The Department of Environmental Quality would do the erosion control agreement as any other industry would have. There has been no groundbreaking, yet. More information will come to the board and the public.

Commissioner Logan thanked the Board of Education and Superintendent for the One Chatham strategic planning session at the Agriculture Center. It was one of the best sessions he has ever attended. The schools looked at growth through an inclusive community approach. Commissioner Hales said the food and entertainment by the students was fabulous.

Chair Howard said the ribbon cutting for the hotel at Chatham Park was this week. She would not be here for the May 2nd meeting but will attend the Legislative Breakfast. She had a great Education Steering Committee meeting on micro-credentialing. Central Carolina Community College was working with industries to have good wages for future employees. She encouraged the other commissioners to follow and join the North Carolina Association of County Commissioners steering committees or send in comments to the State Board when they were unable to attend.

Commissioner Hales said tomorrow, April 19th at 5:30 PM the Department of Transportation will present their Second Avenue study at Wren Library in Siler City.

ADJOURNMENT

A motion was made by Commissioner Hales, seconded by Vice Chair Gomez Flores, that this meeting be adjourned. The motion carried by the following vote:

Aye: 4 - Vice Chair Hales, Commissioner Gomez Flores, Vice Chair Howard, and Commissioner Logan

Absent: 1 - Chair Dasher
