11. Please demonstrate your interest, experience, or expertise relevant to the subject matter of the committee: As someone with a lifelong interest in politics and a degree in Political Science, I have been interested in all aspects of politics. However, climate change has been an ongoing challenge and one of my main concerns. As one of the countless people who will inevitably live under the consequences of ignoring climate change, I have made it my mission to protect not only myself but future generations as well. Many people and I have noticed the growth in Chatham County and want to make sure that the growth we experience is only for the better and not to the detriment of the community, their health, their food, etc. If I were to gain this position, my main priorities would be climate change, the community, and how to encourage everyone to be conscious of how things can have an effect on the environment. Thank you for your consideration and best regards.
