Ms. Pam Falk, Executive Director
Carolina Tiger Rescue
1940 Hanks Chapel Rd.
Pittsboro, NC 27312

Dear Ms. Falk:

The Chatham County Board of Commissioners congratulates the leadership of the Carolina Tiger Rescue for its great achievement as a recipient of the 2013 Nonprofit Sector Stewardship Awards. We understand this is one of just three such awards in the entire state, presented each year by the N.C. Center for Nonprofits.

The Sector Stewardship Award recognizes nonprofits that excel in meeting special criteria, including advocating effectively for your mission; evaluating and communicating your nonprofit's results to the public; maintaining strong relationships with diverse stakeholders; conserving human, financial or natural resources; and implementing other innovative practices.

Given the many excellent nonprofits in Chatham County and across the state, receiving this award says a lot about the high quality of leadership and management of Carolina Tiger Rescue. We are so proud to have you in Chatham County.

On behalf of the Board of Commissioners, please extend our appreciation and thanks to all staff, volunteers and Board of Directors for their hard work and dedication.

Sincerely,

Walter Petty
Chairman, Chatham County Board of Commissioners
