William Judson

Chatham County Fire Marshal

Dear Billy,

By this letter, I am requesting permission from the Chatham County Board of Commissioners to present a fireworks display for the wedding of Darla Shoults at the Oakland Farm wedding venue in Bear Creek.

The Date is April 22, 2023.

We visited this site, and found that it will meet or exceed all requirements to present a safe fireworks program for the event.

Over the past 20 years, we have provided many successful fireworks programs in Chatham County, and are pleased to have been provided the opportunity to once again serve the communities in your County.

Respectfully,

Jeffrey A. Hale

President
