Email Address: dimitri.holst@gmail.com

What District do you reside in? District 2

Are you currently serving on a board or committee in Chatham County? No

If yes, which ones?

Please select from the current vacancies on which you are willing to serve: Chatham County Housing Authority

Why do you wish to serve in this capacity? I wish to serve my community because of my long-standing connection to Chatham County and the deep love I have for its people and places. I've lived here since I was five years old, attended the public schools, and truly consider myself a product of this county. My journey eventually took me north, where I earned a degree in economics and business. I used to joke with my father during summer breaks, saying, "I wonder what new shopping center or apartment complex they'll have when I get back." What began as a light-hearted comment quickly became a reality—Chatham County's growth and appeal are undeniable. My goal is to bring the voice and perspective of my generation to the board. I want to be an active part of shaping the future, not just a bystander to change. I plan to serve as long as I'm able and to contribute thoughtfully to decisions that impact the place, I've always called home. This county has given so much to me—I'm ready to give back and help nurture it in return.

Education/Experience: With a degree in economics and business from Juniata College and current experience as a real estate professional in Chatham County, I bring both analytical insight and on-the-ground knowledge of the housing landscape. My education has equipped me with a deep understanding of market dynamics, sustainable development, and economic policy—key elements in addressing housing challenges. As a real estate agent, I work directly with individuals and families navigating the realities of affordability, zoning, and access. I understand the nuances of housing needs in both growing and underserved communities, and I am passionate about helping shape inclusive, forward-thinking solutions. Serving on the Housing Authority Board would allow me to combine my skills, experience, and love for this county to support initiatives that create long-term housing stability and opportunity for all residents.
