End of Consent Agenda

PUBLIC INPUT SESSION

Larry Ballst gave articles to the commissioners for their review on solar panels. Mr. Ballst said we all know solar panels are good, but no one knows about their pollution when homeowners throw them in the trash. They contain carcinogens. Inflation rates are typically two point five percent, but the current rate is nine percent. When the solar farm on highway 15-501 was built there was no mention of the clean-up cost. They last about twenty years, and it would cost the poor people to clean them up. The Chatham County building department could require electric plugs for new housing rather than car owners plugging into the local McDonald's. This was a step toward cleaner air. There was an energy problem because of President Biden's executive order to raise gas prices. This would increase costs for heating homes. He hoped the Board would not ban woodstoves for heating.

Commissioner Hales said solar panels had come to the Board in the past, but she was not sure of where the County was with that information. County Manager Dan LaMontagne said the solar farms were on agricultural land. Mr. LaMontagne said four or five years ago he spoke with the North Carolina State Energy Office that was responsible for recycling lots of solar panels. There was concern about farmers that were left with the panels on their farms. The Climate Change Committee had looked into this and he would follow up with the committee and report back to the Board.

Commissioner Hales said she did not think the State had dealt with this yet. She did not know if there were special recommendations for solar energy ready wiring for electric vehicles included in the Unified Development Ordinance (UDO). This could be something to include in the UDO.

SPECIAL PRESENTATION

[22-4389](#)

Introduction of 2022 YouthVoice Representative Deon Bailey with Chatham County 4-H

Clerk to the Board, Lindsay Ray, said the County was excited to have 2022 YouthVoice Representative Deon Bailey attending the conference this year. Commissioner Hales, Vice Chair Gomez Flores, County Manager Dan LaMontagne, Assistant County Manager Carolyn Miller, and Ms. Ray would be in attendance and welcomed Mr. Bailey to join them at their table.

Mr. Bailey introduced himself to the Board as a Northwood junior. He was honored to have been chosen.

Chair Howard asked what Mr. Bailey did with the 4-H program. Mr. Bailey said he was a member of the STEM club for three years. The club had since been discontinued because of lack of membership.

This Agenda Item was received and filed.

BOARD PRIORITIES

[22-4391](#)

Vote on a request to appoint a voting delegate for both the upcoming NCACC Annual Conference in August and the NCACC Legislative Goals Conference in November.

Clerk to the Board Lindsay Ray said the Board's appointment was due on August 1st. The voting delegate would need to be available on Saturday, August 13th to attend the NCACC Annual Conference as well as November 16th and 17th to attend the NCACC Legislative Goals Conference.

Commissioner Hales asked if it could be two people. Chair Howard confirmed.

Chair Howard volunteered to be the voting delegate at the NCACC Legislative Goals Conference in November. She said both Commissioner Hales and Vice Chair Gomez Flores would be in attendance at the upcoming NCACC Annual Conference in August. Commissioner Hales said she would be happy to volunteer as voting delegate at the November conference.

A motion was made by Vice Chair Franklin Gomez Flores, seconded by Commissioner Mike Dasher, to appoint Commissioner Hales for the NCACC Annual Conference on August on the 13th and Chair Howard as Voting Delegate for the NCACC Legislative Goals Conference on November 16th and 17th. The motion carried by the following vote:

Aye: 4 - Commissioner Dasher, Commissioner Hales, Vice Chair Gomez Flores, and Chair Howard

Absent: 1 - Commissioner Logan

CLERK'S REPORT

Lindsay Ray said the top priority legislative goals for the NCACC's August meeting were due by mid-September. Ms. Ray would work to narrow down past goals with staff and conference goals to help the Board narrow down its current goals.

Ms. Ray said the Board could amend the BOC regular meeting schedule for the August 15th meeting because two commissioners would be absent.

Commissioner Hales said she had a suggested item for the legislative goals.

Chair Howard said if the Board really wanted its goals to be part of the conference agenda it must be mindful that the goals would benefit all one hundred counties of North Carolina, or they would not move forward.

Commissioner Hales said her concern was the ability of a homeowner over the age of sixty five or those with disabilities to afford their property taxes. She said there was a program with the Chatham Tax Department, but she could not remember the name of it that forgave the first \$25,000 value of property tax. The homeowner must earn less than \$31,900, it used to be \$28,000 seven years ago. The cutoff for income had risen and with inflation it might be worthwhile to look into these things state-wide. She thought to raise the maximum income to \$31,900 to qualify and property values had risen state-wide.

Chair Howard asked if the goal would go to the committee or the Tax and Finance Committee. She said she could see other counties that would struggle with this issue.

Ms. Ray looked at an old flow chart from the conference. In the past the goals would first go to the steering committees, then the legislative goals committee and then to the conference. She would follow up to be certain.

A motion was made by Commissioner Diana Hales, seconded by Commissioner Mike Dasher, to amend the Regular Board of Commissioners meeting schedule from Monday, August 15th to Wednesday, August 24th at 2 PM at the Historic Courthouse be approved. The motion carried by the following vote:

Aye: 4 - Commissioner Dasher, Commissioner Hales, Vice Chair Gomez Flores, and Chair Howard

Absent: 1 - Commissioner Logan

MANAGER'S REPORT

Dan LaMontagne said the County had received its first round of opioid settlement funds at \$111,729.

A Sheriff's Prevention Partnership group with the Chatham County Sheriff's department looked into setting up a meeting with Dr. Murphy with the Opioid Response Network. The group was planning a meeting to plan, prevention, and recovery for this epidemic.

Mr. LaMontagne asked the Board to please respond to an email about the budget survey.

COMMISSIONERS' REPORTS

Commissioner Hales attended the Farms Under Threat webinar hosted by America Farmland Trust a few days ago. There are many acres of farmland being lost to residential development. One statistic predicted a loss of eleven percent of North Carolina farmland by 2040. This would equal eighteen point four acres of farmland. Chatham farmland included pasture, timber, and row crops. Triangle Land Conservancy (TLC) has a new program. Chatham had half a million dollars from Article 46 taxes for the farmland preservation group. She thought it might be time for the County to develop policy documents and look into another strategy for farmland preservation. TLC was looking into a working land easement option for land to resell to future farmers. People of Color (POC) are underrepresented in agriculture. TLC was working on its first fifty-acre easement. Commissioner Hales asked the County Manager for an update on County efforts.

Dan LaMontagne called on Assistant County Manager Bryan Thompson, who was heading the project.

Mr. Thompson said the County had gone through the RFP process and selected a vendor from Mount Olive, Dr. Maddox. The County was waiting for a fully executed copy of the agreement. The funding was less than what was required by the Board to approve. A kickoff meeting will aid to structure with the public and internally with departments. He will update the Board as the process moves forward.

Commissioner Hales asked if there was an initial advance with Dr. Maddox, and when would the Board be involved. Mr. Thompson said structure would be explored and about how the Board can be more involved.

Commissioner Hales asked when the contract would be executed. Mr. Thompson hoped it would have been the first week of July. He would follow up with Mount Olive.

Commissioner Hales said there was a crisis coming when farmland was sold as residential development. This was a way to use Article 46 funding to direct purchase land. She received a letter every day asking to sell her land. The pressure will increase as a manufacturer starts to build in Chatham County. She has not spoken with TLC but will follow up with them and report back to the Board about a possible representative speaking to the Board.

Vice Chair Gomez Flores had nothing to report.

Commissioner Dasher had nothing to report.

Chair Howard thanked the County Manager for bringing Dr. Murphy into contact with the Sheriff's group. Their expertise comes from the state level, especially with harm reduction. Addiction was more than bad behavior. A meaningful improvement with broad and bold conversations about how to spend that money. Now was the time to do the work.

22-4413

Ending Chatham County State of Emergency

Chair Howard read a Proclamation to end the State of Emergency for Chatham County into the record.

This Agenda Item was received and filed.

CLOSED SESSION

22-4390

Vote on a request to go into Closed Session pursuant to G.S. 143-318.11(a)(4) to discuss matters relating to the location or expansion of industries or other businesses, including agreement on a tentative list of economic development incentives that may be offered by the public body and pursuant to G.S. 143-318.11(a)(6) to consider the performance of the County Manager.

A motion was made by Vice Chair Franklin Gomez Flores, seconded by Commissioner Mike Dasher, to go into Closed Session pursuant to G.S. 143-318.11(a)(4) to discuss matters relating to the location or expansion of industries or other businesses, including agreement on a tentative list of economic development incentives that may be offered by the public body and pursuant to G.S. 143-318.11(a)(6) to consider the performance of the County Manager. The motion carried by the following vote:

Aye: 4 - Commissioner Dasher, Commissioner Hales, Vice Chair Gomez Flores, and Chair Howard

Absent: 1 - Commissioner Logan

ADJOURNMENT

Chair Howard announced the August 1, 2022 regular board meeting would be canceled because there was no business submitted to be discussed.

A motion was made by Vice Chair Franklin Gomez Flores, seconded by Commissioner Diana Hales, that this was adjourned. The motion carried by the

following vote:

Aye: 4 - Commissioner Dasher, Commissioner Hales, Vice Chair Gomez Flores,
and Chair Howard

Absent: 1 - Commissioner Logan
