Implementation

Adopted August 19th, 2024

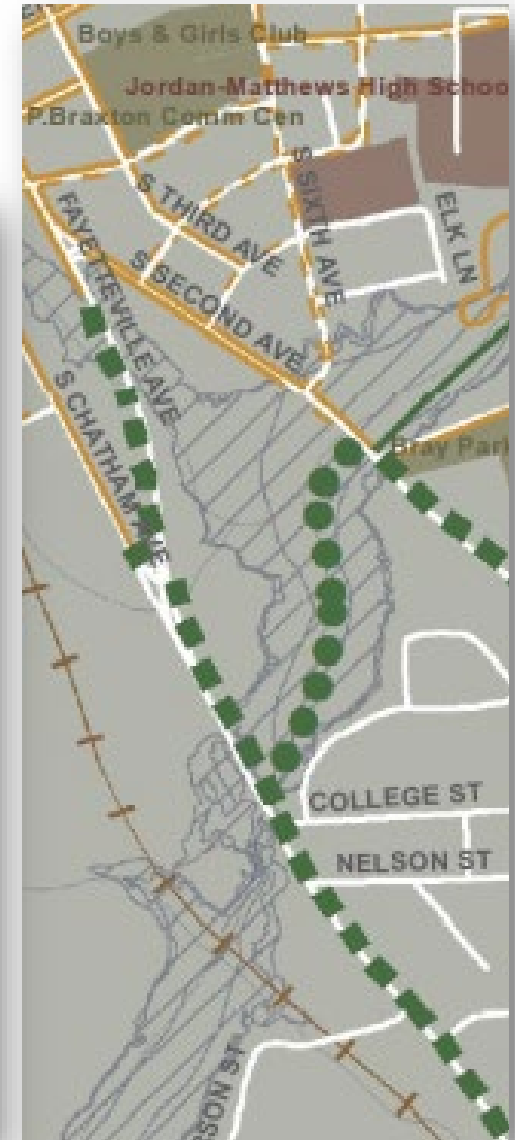

LOVES CREEK GREENWAY:

Facility Amenities:

- 1.4 Mile Paved Path.

Future Planning:

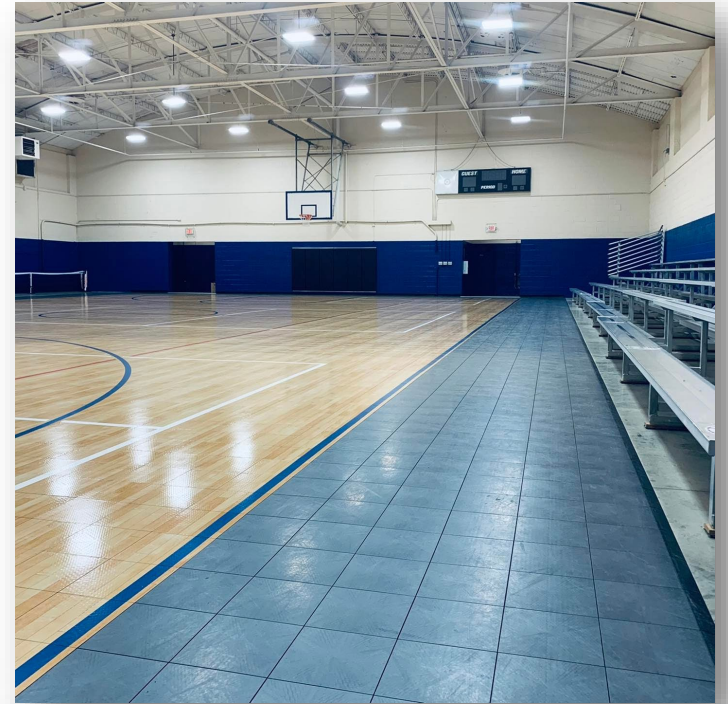

- **Develop a planning study (10% design/engineering) for a multi-modal infrastructure project for Phases 2 and 3 of the Loves Creek Greenway.**
- Phase 2 - Construct ~ 0.8-mile multi-use path. From Loves Creek Greenway/Pony Farm Rd. to US 64 (E. 11th St.)
- Phase 3 - Construct ~ 0.4-mile multi-use path. From SR 2208 (S. 2nd Ave.) to SR 2113 (S. Chatham Ave.)

ERNEST RAMSEY GYMNASIUM:

Future Planning:

- Renovation work to increase program offerings.
- **Collapsible / Folding basketball goals.**
- **Flooring at Entryways, Restrooms, and Storage areas.**
- Bathroom remodel.
- HVAC System.
- Office space for staff.

LANDRUS SILER PARK:

Future Planning:

- **Repaving & Resurfacing of the basketball court.**
- Paved Walking Track.
- Permanent Restroom Facility.
- Land Acquisition.

BOLING LANE PARK:

Riparian Buffer / Replanting Plan:

- A plan to repair the buffer as designed and constructed by ESP Associates.
- Working collaboratively with Chatham Soil & Water and Loves Creek Watershed Stewards (LCWS).
- Completion by January 2024.
