 or County Finance Officer

Notes for the County Funding Plan form

This form will calculate and display the amount of unallocated funds in the county if any.

*NOTE: if a negative number appears on the Amount of Unallocated Funds line, it indicates over-allocation of DPS-JCPC funds and correction is required.

Cells with zero "0" values will always display blank even if a zero is typed into the cell.

Available Funds Line

*Enter the county allocation for the year.

*Verify that this amount is correct for the given county.

*Do not adjust this amount by adding discretionary funds or subtracting reverted funds.

Discretionary Funds Line

If Discretionary Funds are included in one or more program's revenues, indicate the total amount of these funds on the designated line in the lower left hand portion of the form. If there are no discretionary funds, leave that line blank.

Reverted Funds Line

If any DPS-JCPC funds are reverted back to DPS by one or more programs or JCPC administration, show the total amount of the reverted funds on the designated line in the lower left hand portion of the form. If no funds are reverted, leave that line blank.

Check Type Boxes

Please indicate at the lower left whether the funding allocation page is the initial one for the year, an update, or if it is the final one for the year.
