DESCRIPTION	QTY	EACH	AMOUNT
ChargePoint:CT4021-GW1 Dual Output Gateway Option, Bollard Unit - 208/240V @30A with Cord Management	1	4,542.00	4,542.00
ChargePoint:CPCLD-COMMERCIAL-5 5yr Prepaid Commercial Cloud Plan.	2	1,122.00	2,244.00
ChargePoint:CT4001-CCM Bollard Concrete Mounting Kit. Bolts: 5/8 - 11 x 9, F1554 Grade 55 hot-dipped galvanized threaded bolts - 3 ea. Nuts: 5/8 - Heavy Galvanized Hex Nuts (DH Rated) - 12 ea. Washers: Galvanized Washers (ASTM F436) - 9 ea. Plastic Template - 1 ea	1	76.00	76.00
ChargePoint:CT4000-ASSURE5 5yr Prepaid Assure Plan	1	1,996.00	1,996.00
ChargePoint:CPSUPPORT-SITEVALID Customer works with their own contractor to perform the construction and station installation. CPSUPPORT-SITEVALID is used to validate the installation has been performed per ChargePoint published requirements. The on-site validation consists of checking electrical capacity, transformers, panels, breakers, wiring, cellular coverage, and that the station installation meets all ChargePoint published requirements and local codes. A site is defined as a group of stations that are installed within 150 feet of each other. A successful Site Validation is a prerequisite to purchase ChargePoint Assure. CPSUPPORT-SITEVALID is priced for up to 5 stations that exist within the same 150 feet group of stations.	1	0.00	0.00
ChargePoint:CPSUPPORT-ACTIVE Initial Station Activation & Configuration Service includes activation of cloud services and configuration of radio groups, custom groups, connections, access control, visibility control, pricing, reports and alerts. One time initial service per station.	1	0.00	0.00
Note Note: Due to a Global Supply Chain Crisis that is affecting electronic, plastics, and components, suppliers are struggling to meet commitments resulting in increased costs across the board. Ocean and air freight channels are overloaded resulting in worldwide costs for	1	577.00	577.00

Thank you for your business.

DESCRIPTION	QTY	EACH	AMOUNT
-------------	-----	------	--------

hundreds of piece parts. Therefore, beginning on August 6th 2021 ChargePoint will be imposing a temporary Logistics fee that will have a seamless transition into and out of this crisis while not raising the prices of the equipment.

Installation:INSTALL	1	8,085.00	8,085.00
Scope of Work:			

- Install (1) dual EV charger in designated location
- Install (1) new freestanding electrical service
- Install (2) 40 amp breakers in new electrical panel and existing
- Trenching as needed (service within 40' of charger)
- Provide and install raceway, cable, and wiring from panel to EV chargers
- Pour new concrete pad for EV chargers
- Install EV chargers on new concrete slabs
- (2) steel bollards with yellow covers provided and installed
- Permits and inspections as required by the AHJ

Exceptions

- This proposal is based on likely install and is subject to change based on AHJ requirements and/or utility requirements
- Assumes service equipment will be within 40' of charger location

Terms and Conditions

Plans/Specifications-Electrical work requested by others not indicated on plans and/or specifications shall not be part of this agreement

Underground Work-All trenching assumes reasonable digging conditions with no major rock that would require extra equipment and material to excavate. In such cases, there may be additional charges based on evaluation of the conditions.

Weather-Project schedule may be delayed due to weather. Contractor is not responsible for delays in the schedule due to weather.

Change Orders-Deviation or alteration to the scope of this agreement, including plans or specification, shall be executed on receipt of written orders

Code and Installation Practices-Material and equipment supplied by Electrical Contractor shall be installed in accordance with the National Electrical Code and local electrical building code, and standard electrical practices. Requirements that are not codified as of the date of this proposal are excluded from this quotation.

Warranty-Warranty of electrical material and equipment supplied by Electrical Contractor shall be for a period of one year from the date of final invoice. No warranty will be provided for material and equipment supplied by others, and no warranty shall be performed while invoice(s), including change order(s) are past due.

Waste-Electrical Contractor will dispose of waste generated from construction.

Sales Tax	1	1,084.02	1,084.02
Sales Tax calculated by AvaTax on Wed 11 Aug 16:46:48 UTC 2021
