

**AASHTO Spring Meeting, May 6, 2005  
Special Committee on U.S. Route Numbering  
Meeting Minutes**

**Members Present:**

Chair and Region 4 Member: Mr. Mike Behrens, TX  
 Region 2 Member: Mr. Don W. Vaughn, AL  
 Region 3 Member: Mr. Kevin Keith, MO  
 Secretary: Ms. Marty Vitale, AASHTO  
 AASHTO Staff: Ms. Donna Tamburelli

At its meeting on May 6, 2005, the AASHTO Special Committee on U.S. Route Numbering approved all but three of 50 applications as submitted. Region 1 Member, Mr. Kenneth Sweeney, ME, was not present but submitted his votes under separate cover. All committee votes were considered and discussed by those present. The submissions below were not approved or were conditionally approved for the following reasons.

<i>Member Department</i>	<i>Action Requested</i>	<i>Action by USRN Committee</i>	
• Mississippi	Relocation of US Route 49W	<b>Disapproved:</b> The information was unclear on the application. Mississippi may resubmit but needs to explain where the old U.S. 49W is located.	
• North Carolina	Establishment of US Route I-285	<b>Disapproved:</b> The route is not designated as part of the Interstate System by FHWA.	N/A
	Establishment of US Route I-295	<b>Approved:</b> Conditionally that the signage is clearly labeled or marked as "Future" designation.	N/A
	Relocation of US Route 74	<b>Approved:</b> NC needs to clarify the routing map to show that the US Route is either "17" or "117."	N/A
• Virginia	Establishment of US Route 121	<b>Disapproved:</b> No companion coordination is shown with West Virginia. Application was not submitted for West Virginia.	

The committees further discussed the need to revise the current application form, give the member departments the responsibility of providing brief abstracts with their applications, and not take any action on incomplete applications and to return these applications the member departments for resubmission and reconsideration by the U.S. Route Numbering Committee.

Respectfully submitted by:  
 Mike Behrens, Chair  
 5/6/05 (M.Vitale, Secretary)
