Following the determination of the Selected Property and any easements related thereto, the

(The date upon which the Selected Property Amendment is fully executed or on which Buyer delivers the Property Purchase Notice to Seller is hereinafter called the “**Option Exercise Date**”.) If the Selected Property includes all or any portion of Seller’s Option Property, TFF I shall, on the Option Exercise Date, exercise Seller’s Purchase Option so that the portion of the Seller’s Option Property included within the Selected Property may be conveyed to Buyer at the Closing (hereinafter defined) in accordance with this Agreement. If parties are unable to timely determine the Selected Property during the Selected Property Determination Period or if Buyer does not timely deliver the Property Purchase Notice during the Property Purchase Notice Period, then the Exercise Notice previously delivered shall be voided and the Option shall not be deemed exercised. If such Periods conclude prior to the Option Expiration Date, the Option shall remain in effect until Buyer provides another Exercise Notice or the Option expires on the Option Exercise Date. If the Option Expiration Date occurs during the pendency of the Selected Property Determination Period and/or the subsequent Property Purchase Notice Period, the Option Expiration Date shall be extended until 2:00 p.m. on the final day of the Property Purchase Notice Period; **provided, however**, if such anniversary date falls on a Saturday, Sunday or a holiday during which Buyer’s administrative offices are closed, until 2:00 p.m. on next business day to occur following the expiration of the Property Purchase Notice Period.

(b) The representations and warranties of Seller in this Agreement (and the substantive facts contained in any representations and warranties limited to Seller’s knowledge and belief) shall be true and correct, and certified by Seller to Buyer as such, on and as of the Closing Date, in the same manner and with the same effect as though such representations and warranties had been made on and as of the Closing Date.

(c) [intentionally omitted.]

(d) Neither Seller nor the Property shall be subject to any judgment or decree of competent jurisdiction, or to any litigation or administrative proceeding which would materially and adversely affect the Property or which would materially and adversely affect Seller’s right to enter into this Agreement.

(e) The present zoning of the Property shall not have been changed or modified by action of Seller and no application for any change or modification by Seller shall be pending as of the date of Closing, nor shall there have been any other changes or modifications, or any pending application for any change or modification as of the date of Closing, to the present zoning of the Property that shall have, or is likely to have, a material adverse effect on Buyer’s actual or intended use of the Selected Property.

(f) Except for Permitted Exceptions, zoning regulations, and any regulations by any Governmental Authority, there shall be no restrictive covenants which prevent, restrict, or limit in any way the use of the Property by Buyer as an economic development site.

(g) If all or a portion of Seller's Option Property is included within the metes and bounds of the Selected Property, (i) TFF I shall have consummated the purchase and sale of such portion of the Seller's Option Property and (ii) TFF I shall be the fee simple owner of the same.

If any of the foregoing conditions have not been satisfied or performed or waived in writing by Buyer on or as of the Closing Date, Buyer shall have the right, at Buyer's option, either: (i) to terminate this Agreement by giving written notice to Seller on or before the Closing Date, in which event all rights and obligations of Seller and Buyer under this Agreement shall expire, and this Agreement shall become null and void; or (ii) if such failure of condition constitutes a breach of representation or warranty by Seller, constitutes a failure by Seller to perform any of the terms, covenants, conditions, agreements, requirements, restrictions or provisions of this Agreement, or otherwise constitutes a default by Seller under this Agreement, to exercise such rights and remedies as may be provided for in Section 16 of this Agreement. In either of such events, the Option Money shall be refunded to Buyer immediately upon request.

14. Access and Utilities.

(a) The location of and specifications for the planned access from the Property to U.S. Route 421 pursuant to the current approved plans for an interchange to be constructed is as shown on Exhibit C attached hereto and made a part hereof (the "**421 Interchange Access Road**"). The location and specifications of the planned new water and sewer service to the Property are as shown on Exhibit D attached hereto and made a part hereof (as shown thereon, the "**Water Line**" and the "**Sewer Line**"). The location of the Norfolk Southern Railroad right of way adjacent to the Property (the "**Railway**") is as shown on Exhibit E attached hereto and made a part hereof.

(b) Buyer agrees to use Buyer's reasonable best efforts to persuade state and federal agencies to, within eighteen (18) months after Closing to, (i) complete construction of the Water Line and Sewer Line (with stub outs of the Water Line and the Sewer Line to the property line of the Remainder Property at locations mutually agreeable to Buyer and Seller; and (ii), complete construction of the 421 Interchange Access Road, including acquisition of all right of way necessary or desirable for completion thereof (completion of the Water Line, Sewer Line, and 421 Interchange Access Road being "**Infrastructure Completion**" herein). Seller shall be entitled to reserve at Closing reasonable, mutually agreeable, non-exclusive perpetual easements benefitting the Remainder Property for use and maintenance of the Water Line, Sewer Line, 421 Interchange Access Road, and Railway, as applicable, and the easements shall be appurtenant to the Remainder Property.

(c) Buyer additionally obligates itself to, at any time after Closing and on or before the date that is the 10th anniversary thereof, and if the location of the Selected Property prevents or hinders access to the Railway from the Remainder Property, grant to Seller a reasonable railway easement across the Selected Property to a reasonable location along the boundary line between the Selected Property and the Remainder Property as shall be reasonably designated by Seller, provided that such location shall not materially interfere with Buyer's intended or actual development of the Selected Property. Buyer shall, upon written request from Seller, cooperate in the signing and recording of any instrument evidencing the easements granted and conveyed pursuant to this Section 14(c).

(d) Effective from and after Closing, Seller hereby grants and conveys to Buyer such nonexclusive ingress, egress, use, maintenance and repair easements upon and across the Remainder Property in reasonable locations and manner as are necessary for Buyer to develop the Selected Property, which easements shall include, without limitation, water, sewer, utility and access easements, as may be reasonably necessary for the effective development of the Selected Property and which do not interfere with Seller's actual or intended development of the Remainder Property (the "**Development Easements**"). The Development Easements shall be perpetual and run with and be appurtenant to the Selected Property. At

Buyer's request, Seller shall cooperate with Buyer to cause the Development Easements granted and conveyed hereby to be recorded with the Chatham County Register of Deeds.

(e) This Section 14 shall survive Closing.

15. **Possession at Closing.** Seller shall deliver possession of the Selected Property to Buyer on the Closing Date. The Selected Property shall be in substantially the same or better condition on the Closing Date as on the Effective Date except as it may have been impacted by Buyer's activities on the Property. Seller's obligations pursuant to this Section 15 shall survive the Closing.

16. **Remedies.**

(a) If Buyer defaults in its obligations under this Agreement including the obligation to pay any installment of Option Money in accordance with Section 2 hereof and such default is not cured within fifteen (15) days after receipt of written notice from Seller ("**Buyer's Cure Period**") and such default prevents the purchase and sale of the Selected Property from Closing, Seller, provided Seller is not in default hereunder, shall retain the Option Money as full liquidated damages for such default; **provided, however,** (i) Buyer's Cure Period shall continue during the pendency of any period of time as Buyer is engaged in good-faith and diligent efforts to cause such default to be cured, not to exceed ninety (90) days; and (ii) the Buyer's Cure Period upon its failure to make timely payments of Option Money shall be fifteen (15) days, in accordance with Section 2(d) hereof. Seller and Buyer acknowledge that Seller's actual damages in the event of a default by Buyer under this Agreement will be difficult to ascertain, that such liquidated damages represent the Seller's and Buyer's best estimate of such damages, and that Seller and Buyer believe such liquidated damages are a reasonable estimate of such damages. Seller and Buyer expressly acknowledge that the foregoing liquidated damages are intended not as a penalty, but as full liquidated damages, in the event of Buyer's default and as compensation for Seller's taking the Property off the market during the term of this Agreement. Such delivery of the Option Money shall be the sole and exclusive remedy of Seller by reason of a default by Buyer under this Agreement, and Seller hereby waives and releases any right to sue Buyer, and hereby covenants not to sue Buyer, for specific performance of this Agreement or to prove that Seller's actual damages exceed the Option Money which is herein provided Seller as full liquidated damages. Notwithstanding the foregoing, Seller reserves the right hereunder to sue Buyer for specific performance in connection with Buyer's obligations under Section 14 hereof, but only if the Closing occurs.

(b) If Seller defaults in its obligations under this Agreement and fails to cure after fifteen (15) days written notice to Seller ("**Seller's Cure Period**"), then Buyer shall be entitled to, as its sole and exclusive remedies and provided Buyer is not in default hereunder, either (i) return the Option Money to Buyer within ten (10) days following the end of the Seller's Cure Period, or (ii) specific performance of this Agreement; **provided, however,** Seller's Cure Period shall continue during the pendency of any period of time as Seller is engaged in good-faith and diligent efforts to cause such default to be cured, not to exceed ninety (90) days.

17. **Condemnation.** Notwithstanding anything in this Agreement to the contrary, if after the Effective Date, all of the Property intended for the economic development project is condemned, threatened, or appropriated by public authority or any party exercising the right of eminent domain other than Buyer, Buyer may elect to terminate this Agreement and be entitled to the return of the Option Money and the parties hereto shall have no further liability to each other hereunder. Should Buyer elect not to terminate this Agreement, the Purchase Price of the Selected Property shall be reduced by the amount of the award received by Seller for the portion of the Selected Property taken by eminent domain.

18. **Assignment; Sale of Property.**

(a) Assignment. Neither Buyer nor Seller may assign this Agreement without the express written consent of the non-assigning party hereto (in the case of an assignment by Buyer, the consent of each Seller; in the case of an assignment by a Seller, the consent of Buyer alone); **provided, however** (i) Buyer may assign this Agreement to the State of North Carolina, an agency thereof, or another governmental entity upon written notice to Seller provided that Buyer remains liable for all obligations of Buyer hereunder following such assignment, unless Seller, in writing, releases Buyer from such liability, and (ii) Seller may assign this Agreement to a Permitted Transferee in connection with a Permitted Transfer (as each term is defined in Section 18(b) below).

(b) Sale of Property. Seller may not sell, convey, hypothecate, pledge, gift, exchange or otherwise transfer all or any portion of the Property or interest therein (collectively, a “**Transfer**”) to a third party (including Booras but excluding Buyer or its permitted assignee of this Agreement) (each, a “**Transferee**”) without the prior written consent of Buyer and/or Buyer’s permitted assignee (as applicable) (Buyer and/or Buyer’s permitted assignee, for the purposes of this Section 18(b), the “**Consent Party**”), which consent shall not be unreasonably withheld, conditioned or delayed. Without limiting the generality of the foregoing, Seller stipulates and agrees that the following shall be reasonable conditions to the Consent Party’s consent to any Transfer to a Transferee: (i) a Transferee shall agree to be bound, and shall be so bound, to the terms and conditions of this Agreement (whether by taking assignment of this Agreement or by separate joinder); (ii) the Consent Party shall have received adequate assurances that such Transfer or the identity of the Transferee shall not cause the representations, warranties and covenants memorialized in this Agreement (including, without limitation, those in connection with the Grant, the Consent Party’s exercise of the Option or the Consent Party’s purchase of the Selected Property) to become untrue or be breached in any material respect; and (iii) a Seller-transferor shall agree to remain liable for all of his or its obligations hereunder following such an assignment of this Agreement made in connection with such Transfer, unless the Consent Party, in writing, releases such Seller-transferor from such liability.

(c) Family Transfer. Notwithstanding the terms of Section 18(b), DHG may transfer his Property or an interest therein to (i) DHG’s children and/or grandchildren, (ii) an entity solely owned or wholly controlled by DHG or his children and/or grandchildren, (iii) an entity (including a trust) formed solely for the benefit of DHG and/or DHG’s children and/or grandchildren or (iv) D. H. Griffin Wrecking Company, Inc., a North Carolina corporation (a transferee identified in (i)-(iv), each a “**Family Transferee**”; a transfer identified in (i)-(iv), each a “**Family Transfer**”), upon twenty (20) days’ written notice to the Consent Party (“**Family Transfer Notice**”), which Family Transfer Notice shall, in order to be effective notice: (x) identify each Family Transferee, (y) state the method by which such Family Transferee shall be bound, as of the date the Family Transfer occurs, to the terms and conditions of this Agreement (whether by taking assignment of this Agreement or by separate joinder), and (z) contain a signed certification, upon which the Consent Party shall be entitled to rely, from DHG and each Family Transferee that such Family Transfer or the identity of any such Family Transferee shall not cause the representations, warranties and covenants memorialized in this Agreement (including, without limitation, those in connection with the Grant, the Consent Party’s exercise of the Option or the Consent Party’s purchase of the Selected Property) to become untrue or be breached in any material respect. If requested by the Consent Party, DHG shall furnish, or cause to be furnished, at DHG’s sole cost and expense, requests for further information and assurances in connection with any such Family Transfer, including the furnishing of an opinion of counsel, satisfactory in form and substance to the Consent Party, that such Family Transfer or the identity of any such Family Transferee shall not cause the representations, warranties and covenants memorialized in this Agreement (including, without limitation, those in connection with the Grant, the Consent Party’s exercise of the Option or the Consent Party’s purchase of the Selected Property) to become untrue or be breached in any material respect.

A Transfer made in accordance with Section 18(b) and Section 18(c) shall from time to time be referred to as a “**Permitted Transfer**.” A Transferee of a Permitted Transfer shall from time to time be referred to as a “**Permitted Transferee**.”

19. **Further Assurances; Survival.** At Closing, and from time to time thereafter, Seller shall do all such additional and further acts, and shall execute and deliver all such additional and further deeds, affidavits, instruments, certificates and documents, as Buyer, Buyer’s counsel or Buyer’s title insurer may reasonably require to fully vest in and assure to Buyer full right, title and interest in and to the Selected Property to the full extent contemplated by this Agreement and otherwise to effectuate the purchase and sale of the Selected Property as contemplated by and provided for in this Agreement. All the provisions of this Agreement (including, without limitation, the representations, covenants and warranties of Seller as set forth in this Agreement), shall survive closing for one (1) year upon the consummation of the purchase and sale of the Selected Property on the Closing Date, the delivery of the deed to Buyer, and the payment of the Purchase Price.

20. **Memorandum of Option.** This Agreement is not to be recorded, but a memorandum hereof in statutory form shall be executed by the parties and recorded at Buyer’s cost and expense. The parties hereto acknowledge that this Agreement is a public record and is subject to disclosure in accordance with applicable law.

21. **General Provisions.**

Golden LEAF Foundation
Major Site Development Initiative
Guidelines for Establishing Public Control of Privately Owned Property

In order to meet the requirement that private land be “publicly controlled” to be eligible to participate in the Golden LEAF Major Site Development Initiative, Golden LEAF has established the following guidelines for obtaining public control of the property through an option:

- 1) The entity securing public control of the property must be a 501(c)(3) charitable organization or a governmental entity.
- 2) The option must extend for a period of at least five years after the grant award date.
- 3) The option must be a valid, legally binding document and include a legal description (either metes and bounds or reference to a recorded plat, no tax maps or tax parcel IDs).
- 4) The applicant must deliver a title insurance commitment for the property that includes the following: (i) the current owner of the property identified in the commitment must be the same as the seller identified in the option, (ii) the proposed insured amount must not be less than the proposed purchase price for the land, (iii) the commitment must not include any exception that would interfere with the development of the proposed project, and (iv) the commitment must insure any appurtenant easement for the use and operation of the proposed project.
- 5) If the property is owned by an organization, the organization must provide a certificate of incumbency showing the authority of the individual executing the option to act on behalf of the organization.
- 6) The option must set a fixed price for its execution.
- 7) The proposed purchaser must provide evidence that the purchase price is not materially in excess of the fair market value of the property as determined by 1) the property’s tax value or 2) a recent third party appraisal of the property by a qualified appraiser. Alternatively, the proposed purchaser may present reasonable evidence that the option price was determined through an arms-length negotiation with the proposed seller. Except in unusual circumstances, if the property is currently offered for sale at a set price, the price set in the option cannot be greater than the price for which the property is offered.
- 8) The amount of debt secured by all deeds of trust and/or liens against the property must be less than the price set in the option.
- 9) The option (or a memorandum of option) must be recorded in the office of the register of deeds in the county in which the property is located.

These requirements are not the exclusive mechanism for acquiring public control; for example, an eligible entity may be able to secure public control through a ground lease or a purchase contract with a due diligence period of adequate duration.

Golden LEAF reserves the right to modify or add to these requirements, and any decision whether a project satisfies the public control test for purposes of the Major Site Development Initiative is in the sole discretion of Golden LEAF.

Provided that the proposed purchaser and seller have negotiated and agreed in principle to an appropriate mechanism to secure public control of the property, the parties may wait to complete the transaction and execute the final documents until after Golden LEAF makes its decision whether or not to award a grant.

In that case, if a grant is awarded, release of grant funds would be conditioned on the grantee finalizing the transaction, including updating the title opinion.

If a grant is awarded, there may be additional requirements related to public control in the Grantee Acknowledgment and Agreement for the project. These may include, but are not limited to, the following:

- 1) The grantee will not take actions regarding the property secured by the option that will result in or give rise to private inurement or impermissible private benefit.
- 2) The infrastructure improvements constructed with Golden LEAF funds must be publicly owned and located on property that the grantee or another governmental entity or 501(c)(3) charitable organization either owns in fee simple or controls through a permanent easement. Golden LEAF may require evidence of this ownership or control.

If you would like to discuss alternative approaches for securing public control or have any questions about these requirements, please contact Ted Lord at tlord@goldenleaf.org or (252) 442-7474.
