11. Please demonstrate your interest, experience, or expertise relevant to the subject matter of the committee: I am very excited about the opportunity to work on climate issues in Chatham County! I see the tremendous growth in Chatham County and the increasing incidence of climate change induced disasters such as Chantal adding to the urgency of this work. My experience and perspective will add value to the work of the Climate Change Advisory Committee. I am passionate about issues of climate justice and community collaboration. My work has long focused on motivating business to work with communities to foster resilience and center community needs. At Duke I focused on environmental leadership, and the connection between business, public policy and community. At BSR (Business for Social Responsibility), I directed the climate change practice, working jointly with businesses and community-based organizations to facilitate decarbonization and and build just and equitable climate resiliency. I strongly support collaboration between community members, governments and businesses.
