

Resolution 2012 Local Water Supply Plans

WHERE AS, North Carolina General Statute 143-355 (I) requires that each unit of local Government that provides public water services or plans to provide such services shall either individually or together with other such units of local government, prepare and submit a Local Water Supply Plan; and

WHEREAS, as required by the statute and in the interests of sound local planning, the 2012 Local Water Supply Plans for Chatham County have been developed and submitted to the Chatham County Board of Commissioners for approval; and

WHEREAS, the Chatham County Board of Commissioners finds that the Local Water Supply Plans are in accordance with the provisions of North Carolina General Statute 143-355 (I) and that it will provide appropriate guidance for the future management of water supplies for Chatham County, as well as useful information to the Department of Environment and Natural Resources for the development of a state water supply plan as required by statute;

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of Chatham County that the 2012 Local Water Supply Plans entitled Chatham County Southwest Water System and Chatham County Asbury Water System, are hereby approved and shall be submitted to the Department of Environment and Natural Resources, Division of Water Resources; and

BE IT FURTHER RESOLVED that the Chatham County Board of Commissioners intends that these plans shall be revised to reflect changes in relevant data and projections at least every five years or as otherwise requested by the Department, in accordance with the statute and sound planning practice.

This the _____ day of _____, 2014

Walter Petty, Chair
Chatham County Board of Commissioners

ATTEST:

Lindsay K. Ray, Clerk to the Board
Chatham County Board of Commissioners
