9. In which Board of Commissioners district do you reside: District 4
10. Does a immediate family member currently serve on the committee: No
11. Please demonstrate your interest, experience, or expertise relevant to the subject matter of the committee: I am a long-time intelligence professional with over 30 years of experience supporting government and commercial decision-makers on complex, data-driven issues. I currently serve as President & CEO of Unseenlabs US, the U.S. subsidiary of a French space technology company, where I lead U.S. operations, regulatory compliance, and engagement with federal, state, and local stakeholders. My background includes extensive work in satellite-based RF and geospatial intelligence, helping communities and agencies understand how large-scale technology infrastructure impacts resilience, security, and long-term planning. I am now applying that experience locally in Chatham County, where I have been actively following land-use, rezoning, and infrastructure discussions, including water and utility planning around new development. I would like to serve on a county board to bring a data-driven, balanced, and community-focused perspective to decisions that will shape Chatham County for decades to come.
