

**Chatham County
Draft Public
Art Plan**

Mission

Chatham County views public art as vital to its cultural and civic life and as such, intends to support and integrate these works into its public spaces.

Plan Focus Areas:

Themes

Integrity

Respect

Collaboration

Community

Service

Accountability

Equity

Public art in county owned spaces should reflect the organization and its values. As such, artwork should align with the adopted core values of the Chatham County organization.

LAYOUT AND DESIGN OF NEW ART SPACE

Pottery wheels, clay slabroller, kilns!

Secondary classroom space

Focus Area 2: CIP Percent for Art

Involves including a percent of a total “hard” capital project cost dedicated to the procurement of public art for the space.

Considerations:

- Type, function and location of building/project
- Total capital project cost
- Variable percentage/flat amount

Current projects:

Goldston Library Expansion

Siler City Center for Active Living Renovations

Focus Area 3: Permanent Art Installations

Permanent art installations inside or outside county owned/operated public spaces.

Permanent Art Installation Possible Locations

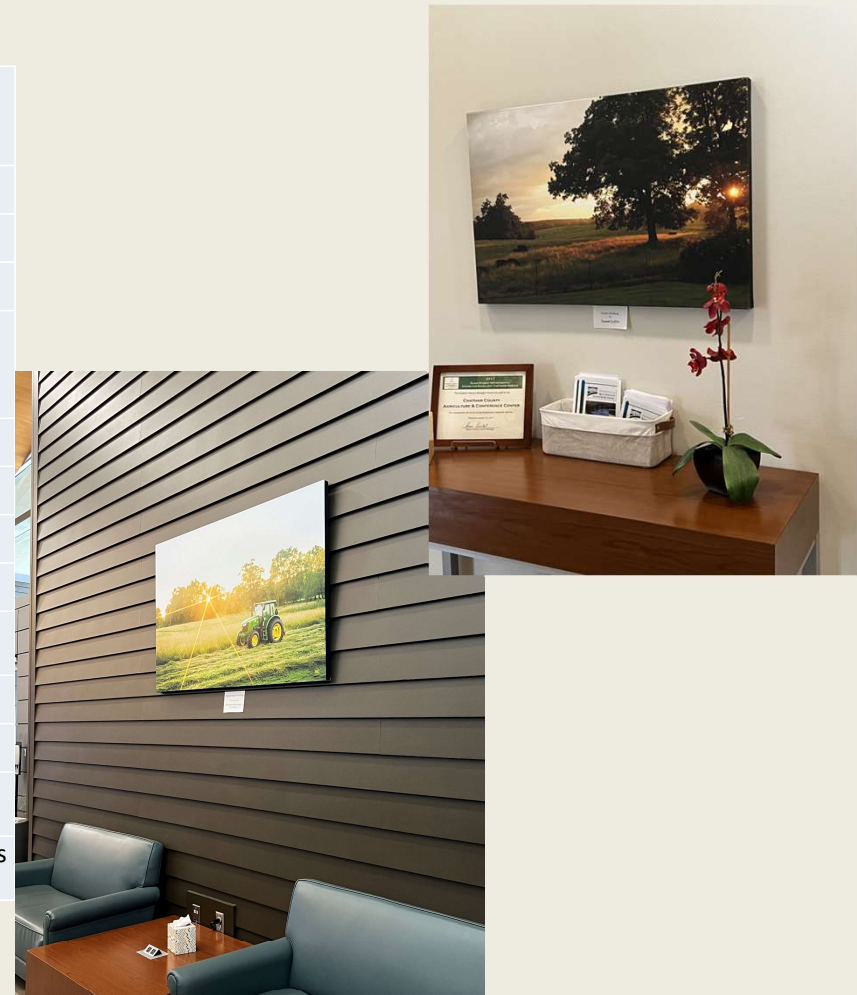

Focus Area 4: Temporary/ Rotating Installations

Temporary art installations inside or outside county owned/operated public spaces.

Rotating Art Installation Possible Location
