HRSA Electronic Handbooks (EHBs) Registration Requirements

The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Visit <https://grants3.hrsa.gov/2010/WebEPSExternal/Interface/common/accesscontrol/login.aspx> to use the system. Additional help is available online and/or from the HRSA Call Center at 877-Go4-HRSA/877-464-4772.

Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. Funding beyond this budget period is contingent upon the availability of appropriated funds for this program, recipient satisfactory performance, program authority, compliance with the Terms and Conditions of the award, and a decision that continued funding is in the best interest of the Federal government.

This award action is based on HRSA's approval of the recipient's application and any modifications at the time of this award. Continued support for this award may be subject to other programmatic considerations to the extent permitted by law, including, but not limited to, Administration priorities and court orders.

Should additional federal funds not be available and/or shifting priorities affect the programmatic objectives of this award, the recipient will work with HRSA to revise any workplan tasks and budget in accordance with 45 CFR 75.308 (Revision of budget and program plans).
2. By accepting this award, including the obligation, expenditure, or drawdown of award funds, recipients, whose programs are covered by Title IX, certify as follows:

- Recipient is compliant with Title IX of the Education Amendments of 1972, as amended, 20 U.S.C. §§ 1681 et seq., including the requirements set forth in Presidential Executive Order 14168 titled Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government, and Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d et seq., and Recipient will remain compliant for the duration of the Agreement.
 - The above requirements are conditions of payment that go the essence of the Agreement and are therefore material terms of the Agreement.
 - Payments under the Agreement are predicated on compliance with the above requirements, and therefore Recipient is not eligible for funding under the Agreement or to retain any funding under the Agreement absent compliance with the above requirements.
 - Recipient acknowledges that this certification reflects a change in the government's position regarding the materiality of the foregoing requirements and therefore any prior payment of similar claims does not reflect the materiality of the foregoing requirements to this Agreement.
 - Recipient acknowledges that a knowing false statement relating to Recipient's compliance with the above requirements and/or eligibility for the Agreement may subject Recipient to liability under the False Claims Act, 31 U.S.C. § 3729, and/or criminal liability, including under 18 U.S.C. §§ 287 and 1001.
3. This revision is issued to extend the budget and project period end dates until 09/30/2025, in accordance with your Prior Approval Request. The budget for expenditure of the remaining funds of \$280,384.00 is accepted. Please be advised that no further extensions will be granted.
4. Applicable Regulations – Prior to October 1, 2025, the recipient agrees this award will be subject to 45 C.F.R. Part 75 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards), with the exception of eight flexibilities HHS adopted on October 1, 2024, from 2 C.F.R. Part 200. See 2 C.F.R. § 300.1 (Adoption of 2 C.F.R. Part 200). After October 1, 2025, this award will be subject to all applicable provisions of 2 C.F.R. Parts 200 and 300 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards).
- All prior terms and conditions remain in effect unless specifically removed.

UPDATED EMBRACE SCOPE OF WORK

PROJECT LEAD

Casey Hilliard, EMBRACe Project Manager
Chatham County Public Health Department
Casey.Hilliard@chathamcountync.gov

PROJECT DESCRIPTION

Equity for Moms and Babies Across Chatham (EMBRACe) a local collaborative initiative aimed at achieving equity birth outcomes for birthing people and babies in Chatham County, NC through community-led transformation of the local perinatal care system, **will facilitate the development of a community-based doula collaborative.** EMBRACe partners include the Chatham County Public Health Department (CCPHD), Piedmont Health Services, Chatham Hospital, UNC Family Medicine, Chatham County DSS, and CORE. The initiative is led by a coordinating committee dedicated to fostering collaboration that is grounded in a commitment to equity, relationality, and accountability to the community.

UPDATED PROJECT GOALS AND STRATEGIES

Goals 1-3 are the same as originally proposed. In the fall of 2023, EMBRACe took on the additional goal of identifying and coordinating the provision of a comprehensive, culturally concordant Spanish language doula training program for Hispanic-Latine community members.

The EMBRACe Coordinating Committee will lead the effort to develop a sustainable community-based doula program in Chatham County. The goals and strategies for achieving this aim are:

Goal 1- Training and Professional Development: Increase capacity for community-based birth support services for birthing people of color specifically, concordant doula, lactation, and childbirth education services.

Strategy 1a: Through existing and new community engagement activities, identify women in the community who are interested in becoming community-based doulas and support them in completing training and certifications to advance towards this goal.

Strategy 1b: Sponsor continuing education and professional development opportunities for doulas, birthworkers, community outreach workers, and existing staff at our partner organizations who are interested in expanding their knowledge and skillset in pursuit of better outcomes for moms and babies.

Goal 2- Community-Led Action: Convene and facilitate a 'Learning Circle' comprised of a diverse group of local birthworkers, birthworkers in training, moms, leaders of grassroots

community-based doula programs in other communities, and others who are vested in the development of a community-based doula program in Chatham County.

Strategy 2a: Utilizing existing relationships and intentional relationship building, identify and engage individuals who are enthusiastic and dedicated to the development of the community-based doula program in Chatham.

Strategy 2b: Facilitate and provide technical assistance to the Learning Circle including helping with the scheduling and planning of regular meetings, stipends for participants, connecting to relevant experts, researching models and ideas of interest, etc.

Strategy 2c: Invest in the provision of community-based doula services for up to 100 low income pregnant women.

Goal 3- System Alignment: Ensure the sustainability of the Community-based Doula Collaborative through the integration of the services into the local perinatal care system.

Strategy 3a: Research and identify models of sustainable community-based doula programs and potential opportunities for alternative funding sources.

Strategy 3b: Work with partners through the Chatham Project Steering Committee as well as PHPs and other payors and state leaders, to identify opportunities for sustaining the program that are not reliant on grant funding or strictly fee for service payment models.

Strategy 3c: Through the EMBRACe Service Alignment/Perinatal Care Coordination workgroup build and establish processes for integrating the community-based doula services within the 'package' of wraparound services offered to birthing people at our local healthcare institutions.

Goal 4- Doula Training for Hispanic-Latine Cohort: Identify and coordinate the provision of a comprehensive, culturally concordant Spanish language doula training for Hispanic-Latine community members.

Strategy 4a: Research and identify a doula training program for our Hispanic-Latine cohort that is comprehensive, culturally concordant, and can be conducted in Spanish.

Strategy 4b: Work with identified program and community cohort to support the development of a tailored training program for our Chatham community.

Strategy 4c: Coordinate the logistics of offering 2 doula training courses in Chatham County for Hispanic-Latine community members.

Strategy 4d: Work with local doulas and training program to establish a mentoring and support structure for Hispanic-Latine women who complete the training.
