9. In which Board of Commissioners district do you reside? **District 5**
10. Does a immediate family member currently serve on the committee. **No**
11. Please demonstrate your interest, experience, or expertise relevant to the subject matter of the committee. **I have been serving on the climate change committee for several years just after it was formed. I was born in Chatham, attended school in Bonlee and Bear Creek, and live on the same dairy farm land I grew up on. I went to NCSU and Univ Wisconsin for PhD in Engineering Physics, I spent 40 years working in Silicon Valley in semiconductor and hard disk manufacturing and retired in 2015 to care for my mother on the family farm. I am a technologist for the climate committee and answer questions about physics, energy, and engineering perspective. I specifically promote ENROADS which I discovered while lobbying Congress for climate change issues - primarily carbon fee and dividend approach. I firmly endorse the power of the purse to change peoples behavior to enable policy. I promote all 'clean' sources of energy and especially nuclear as it is my educational focus. I strongly emphasize the goals of reducing emissions and increasing sequestration to reduce CO2.**
12. Please select which board or committee you are applying to: **Climate Change Advisory Committee**
13. Are you willing to regularly attend scheduled meetings, participate in committee activities, and comply with all applicable laws, policies, and codes of conduct. **Yes**
