Good afternoon Jenifer,

I hope this email finds you well.

JCPC Council Member, Kyle Stinson, has resigned from his position as the under age of 21 representative.

Caroline Trageser from North Wood Highschool is applying to fill this vacancy for member under age of 21.

Chatham JCPC does welcome and approve for her to be on the board.

Can you please add this to your agenda to be voted on when available, month of April is okay if it is already to close to this board of comissioners' meeting for this month.

Thank you,

Tania Vazquez
