

November 15, 2013

Commissioner Walter Petty, Chair
Chatham County Board of Commissioners
P. O. Box 1809
Pittsboro, NC 27312

Dear Commissioner Petty:

We are grateful for the overwhelming private support that the College's Central Carolina Works project has generated in recent months.

As you will recall from our many discussions, Central Carolina Works will benefit students by helping them to earn a year or more of tuition-free college credit by the time they graduate from high school. In achieving this goal, the project will enhance individuals' career and earnings potential, while ensuring that our area's workforce possesses the knowledge and skills it needs to be competitive in the 21st-century global economy.

Central Carolina Works is poised to begin training Career and College Advisors in early 2014 for their work in our area high schools; but in order to move forward, the project needs your support. In order to achieve our overall budget goal of \$750,000, we are asking that Chatham County make a onetime contribution of \$50,000 (\$25,000 for each of the next two budget cycles).

We are confident that our community will see abundant returns on this investment, and we invite you to contact any of us if you have questions or would like more details about the project.

Thank you for all that you do. . . .

Sincerely,

Dr. T. Eston Marchant
President

Central Carolina Community College

Dr. Derrick D. Jordan
Superintendent

Chatham County Schools

Kirk J. Bradley
Chairman

Central Carolina Works Committee
