Ref: Purchase new Aerial Fire Truck

William,

Pittsboro Fire Rescue Department is purchasing a new 100ft E-One platform fire truck for Circle City Fire District and the Town of Pittsboro.

We are requesting permission to hold a public hearing at Pittsboro Fire Rescue Department located at 150 Sanford Road as part of securing the loan.

As we know our fire district and the Town is growing at a very fast pace. Bigger development in the district and the number of apartments and town homes and commercial buildings being built and it is necessary to keep up with growth to continue to provide the most fire protection for our community and businesses in our district and town.

With the purchase of this aerial fire truck will help the county and the town with a lower ISO rate which will lower insurance premiums to businesses and homeowners.

The loan amount of \$1,433,447, rate of 2.99%, and term of 20 years have been approved for tax exempt from First Bank in Pittsboro.

Sincerely,

A handwritten signature in black ink that reads "Daryl Griffin".

Daryl Griffin, Fire Chief
