NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained the parties hereto contract and agree as follows:

5. Current Fire Department “First Responders” as of the date of this Agreement must attend and participate in a minimum of twenty four (24) hours of Emergency Medical Responder/Emergency Medical Technician continuing education annually and complete CPR and skills evaluation annually as prescribed by the North Carolina Office of Emergency Medical Services and the County Medical Director. A roster of Fire Department “First Responders” and documentation of required training shall be submitted to the County by December 31<sup>st</sup> of each year. 8. All funds paid to the Fire Department by the County shall be used exclusively by the Fire Department to provide the fire protection services within the District, and, should the Fire Department elect to

9. The Fire Department shall operate in compliance and all applicable State and local laws and regulations including, but not limited to, the North Carolina Fire Incident Reporting System (N.C. G.
