New/Increased Fees (continued)

Solid Waste & Recycling

- Solid Waste Fee – \$20 Increase (from \$137 to \$157 annually), increase is necessary for the enterprise fund to continue to recoup costs generated to run the service
- Yard Waste Disposal Fee - \$5/ton increase (from \$20/ton to \$25/ton), increase is necessary due to the increasing amount of yard waste incoming and the additional handling costs associated with moving older mulch/waste to make room for additional disposal
- Land Clearing and Inert Debris Disposal Fee - \$15/ton increase (from \$20/ton to \$35/ton), increase is needed to fund the costs associated with the necessary permit and required maintenance costs of the LCID landfill – if not permitted, the LCID landfill will be required to cease operations
