"A Professional Association of Certified Public Accountants and Management Consultants"

March 6, 2018

Vicki McConnell, Finance Director
Chatham County
12 East Street
Pittsboro, NC 27312

You have requested that we audit the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of Chatham County, NC, as of June 30, 2018, and for the year then ended, and the related notes to the financial statements, which collectively comprise Chatham County's basic financial statements as listed in the table of contents.

In addition, we will audit the entity's compliance over major federal and State award programs for the period ended June 30, 2018. We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. Our audits will be conducted with the objectives of our expressing an opinion on each opinion unit and an opinion on compliance regarding the entity's major federal and State award programs.

Accounting principles generally accepted in the United States of America require that certain supplementary information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the required supplementary information (RSI) in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist primarily of inquiries of management regarding their methods of measurement and presentation, and comparing the information for consistency with management's responses to our inquiries. We will not express an opinion or provide any form of assurance on the RSI. The following RSI is required by accounting principles generally accepted in the United States of America. This RSI will be subjected to certain limited procedures but will not be audited:

- Management's Discussion and Analysis
- Law Enforcement Officers' Special Separation Allowance schedules
- Other Post-Employment Benefits' schedules
- Local Government Employees' Retirement System's schedules
- Register of Deeds' Supplemental Pension Fund schedules

Supplementary information other than RSI will accompany Chatham County's basic financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the supplementary information to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on the following supplementary information in relation to the financial statements as a whole:

- Combining and individual fund financial statements
- Budgetary schedules
- Other schedules
- Schedule of Expenditures of Federal and State Awards

Schedule of Expenditures of Federal and State Awards

We will subject the Schedule of Expenditures of Federal and State Awards to the auditing procedures applied in our audit of the basic financial statements and certain additional procedures, including comparing and reconciling the schedule to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and additional procedures in accordance with auditing standards generally accepted in the United States of America. We intend to provide an opinion on whether the Schedule of Expenditures of Federal and State Awards is presented fairly in all material respects in relation to the financial statements as a whole.

The following additional information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information:

- Introductory information
- Statistical section

We will make reference to the component unit auditor's audit of the Chatham County ABC Board in our report on your financial statements.

Data Collection Form

Prior to the completion of our engagement, we will complete the sections of the Data Collection Form that are our responsibility. The form will summarize our audit findings, amounts and conclusions. It is management's responsibility to submit a reporting package including financial statements, Schedule of Expenditures of Federal and State Awards, summary schedule of prior audit findings and corrective action plan along with the Data Collection Form to the Federal Audit Clearinghouse. The financial reporting package must be text searchable, unencrypted, and unlocked. Otherwise, the reporting package will not be accepted by the Federal Audit Clearinghouse. We will assist you in the electronic submission and certification. You may request from us copies of our report for you to include with the reporting package submitted to pass-through entities.

The Data Collection Form is required to be submitted within the *earlier* of 30 days after receipt of our auditors' reports or nine months after the end of the audit period, unless specifically waived by a federal cognizant or oversight agency for audits. Data Collection Forms submitted untimely are one of the factors in assessing programs at a higher risk.

Audit of the Financial Statements

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS), the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America; the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the State Single Audit Implementation Act. Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to error, fraudulent financial reporting, misappropriation of assets, or violations of laws, governmental regulations, grant agreements, or contractual agreements.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. If appropriate, our procedures will therefore include tests of documentary evidence that support the transactions recorded in the accounts, tests of the physical existence of inventories, and the direct confirmation of cash, investments, and certain other assets and liabilities by correspondence with creditors and financial institutions. As part of our audit process, we will request written representations from your attorneys, and they may bill you for responding. At the conclusion of our audit, we will also request certain written representations from you about the financial statements and related matters.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements or noncompliance (whether caused by errors, fraudulent financial reporting, misappropriation of assets, detected abuse, or violations of laws or governmental regulations) may not be detected exists, even though the audit is properly planned and performed in accordance with U.S. GAAS and *Government Auditing Standards* of the Comptroller General of the United States of America. Please note that the determination of abuse is subjective and *Government Auditing Standards* does not require auditors to detect abuse.

In making our risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit. Our responsibility as auditors is, of course, limited to the period covered by our audit and does not extend to any other periods.

We will issue a written report upon completion of our audit of Chatham County's basic financial statements. Our report will be addressed to the governing body of Chatham County. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

In accordance with the requirements of *Government Auditing Standards*, we will also issue a written report describing the scope of our testing over internal control over financial reporting and over compliance with laws, regulations, and provisions of grants and contracts, including the results of that testing. However, providing an opinion on internal control and compliance over financial reporting will not be an objective of the audit and, therefore, no such opinion will be expressed.

Audit of Major Program Compliance

Our audit of Chatham County's major federal and state award program(s) compliance will be conducted in accordance with the requirements of the Single Audit Act, as amended; the Uniform Guidance, and the State Single Audit Implementation Act, and will include tests of accounting records, a determination of major programs in accordance with the Uniform Guidance and the State Single Audit Implementation Act and other procedures we consider necessary to enable us to express such an opinion on major federal and state award program compliance and to render the required reports. We cannot provide assurance that an unmodified opinion on compliance will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or withdraw from the engagement.

The Uniform Guidance and the State Single Audit Implementation Act require that we also plan and perform the audit to obtain reasonable assurance about whether the entity has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major federal and state award programs. Our procedures will consist of determining major federal and State programs and performing the applicable procedures described in the U.S. Office of Management and Budget *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the entity's major programs. The purpose of those procedures will be to express an opinion on the entity's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance and the State Single Audit Implementation Act.

Also, as required by the Uniform Guidance and the State Single Audit Implementation Act, we will perform tests of controls to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each of the entity's major federal and state award programs. However, our tests will be less in scope than would be necessary to render an opinion on these controls and, accordingly, no opinion will be expressed in our report.

We will issue a report on compliance that will include an opinion or disclaimer of opinion regarding the entity's major federal and state award programs, and a report on internal controls over compliance that will report any significant deficiencies and material weaknesses identified; however, such report will not express an opinion on internal control.

Management's Responsibilities

Our audit will be conducted on the basis that management and, when appropriate, those charged with governance, acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America;

 - b. Additional information that we may request from management for the purpose of the audit; and
 - c. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.
17. For adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the current period(s) under audit are immaterial, both individually and in the aggregate, to the financial statements as a whole;
18. For maintaining adequate records, selecting and applying accounting principles, and safeguarding assets;
19. For taking reasonable measures to safeguard protected personally identifiable and other sensitive information; and
20. For confirming your understanding of your responsibilities as defined in this letter to us in your management representation letter.

As part of our audit process, we will request from management and, when appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit.

We understand that your employees will prepare all confirmations we request and will locate any documents or invoices selected by us for testing.

With regard to using the auditor's report, you understand that you must obtain our prior written consent to reproduce or use our report in bond offering official statements or other documents. You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

Fees

Marcie Spivey is the engagement partner for the audit services specified in this letter. Her responsibilities include supervising Martin Starnes & Associates, CPAs, P.A.'s services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report. To ensure that our independence is not impaired under the AICPA Code of Professional Conduct, you agree to inform the engagement partner before entering into any substantive employment discussions with any of our personnel.

Our fees for these services are as follows:

Fixed:

Audit	\$ 75,000
Financial Statement Drafting	-
Other Non-Attest Services	-
	<u>\$ 75,000</u>

Variable:

Charge per major program over five (5)	<u>\$ 3,000</u>
--	-----------------

Our invoices for these fees will be rendered in four installments as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for non-payment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our reports. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination.

We will notify you immediately of any circumstances we encounter that could significantly affect this initial fee estimate. Whenever possible, we will attempt to use Chatham County's personnel to assist in the preparation of schedules and analyses of accounts. This effort could substantially reduce our time requirements and facilitate the timely conclusion of the audit.

We want our clients to receive the maximum value for our professional services and to perceive that our fees are reasonable and fair. In working to provide you with such value, we find there are certain circumstances that can cause us to perform work in excess of that contemplated in our fee estimate.

Following are some of the more common reasons for potential supplemental billings:

Changing Laws and Regulations

There are many governmental and rule-making boards that regularly add or change their requirements. Although we attempt to plan our work to anticipate the requirements that will affect our engagement, there are times when this is not possible. We will discuss these situations with you at the earliest possible time in order to make the necessary adjustments and amendments in our engagement.

Incorrect Accounting Methods or Errors in Client Records

We base our fee estimates on the expectation that client accounting records are in order so that our work can be completed using our standard testing and accounting procedures. However, should we find numerous errors, incomplete records, or the application of incorrect accounting methods, we will have to perform additional work to make the corrections and reflect those changes in the financial statements.

Failure to Prepare for the Engagement

In an effort to minimize your fees, we assign you the responsibility for the preparation of schedules and documents needed for the engagement. We also discuss matters such as availability of your key personnel, deadlines, and work space. If your personnel are unable, for whatever reasons, to provide these items as previously agreed upon, it might substantially increase the work we must do to complete the engagement within the scheduled time.

Starting and Stopping Our Work

If we must withdraw our staff because of the condition of the client's records, or the failure to provide agreed upon items within the established timeline for the engagement, we will not be able to perform our work in a timely, efficient manner, as established by our engagement plan. This will result in additional fees, as we must reschedule our personnel and incur additional start-up costs.

Assistance with Financial Statement Drafting

Your personnel is responsible for drafting the financial statements and related notes and the Schedule of Expenditures of Federal and State Awards. Upon completion of the drafted financial statements, we will review them and return them to you with suggested revisions. If significant assistance is needed to make those revisions, this will result in additional fees based on the amount of assistance required.

Our fees are based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Our fees for such services range from \$75-\$300 per hour.

Other Matters

During the course of the engagement, we may communicate with you or your personnel via fax or e-mail, and you should be aware that communication in those mediums contains a risk of misdirected or intercepted communications.

The audit documentation for this engagement is the property of Martin Starnes & Associates, CPAs, P.A. and constitutes confidential information. However, we may be requested to make certain audit documentation available to the Local Government Commission, Office of the State Auditor, federal or State agencies and the U.S. Government Accountability Office pursuant to authority given to it by law or regulation, or to peer reviewers. If requested, access to such audit documentation will be provided under

the supervision of Martin Starnes & Associates, CPAs, P.A.'s personnel. Furthermore, upon request, we may provide copies of selected audit documentation to these agencies and regulators. The regulators and agencies may intend, or decide, to distribute the copies of information contained therein to others, including other governmental agencies. We agree to retain our audit documentation or work papers for a period of at least five years from the date of our report.

We will perform the following nonattest services:

- Preparation of Data Collection Form

With respect to the nonattest services we perform as listed above, Chatham County's management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) establishing and maintaining internal controls, including monitoring ongoing activities.

Government Auditing Standards require that we document an assessment of the skills, knowledge, and experience of management, should we participate in any form of preparation of the basic financial statements and related schedules or disclosures as these actions are deemed a non-audit service.

During the course of the audit, we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

We agree to retain our audit documentation or work papers for a period of at least five years from the date of our report.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditor's report to the date the financial statements are issued.

At the conclusion of our audit engagement, we will communicate to management and those charged with governance the following significant findings from the audit:

- Our view about the qualitative aspects of the entity's significant accounting practices;
- Significant difficulties, if any, encountered during the audit;
- Uncorrected misstatements, other than those we believe are trivial, if any;
- Disagreements with management, if any;
- Other findings or issues, if any, arising from the audit that are, in our professional judgment, significant and relevant to those charged with governance regarding their oversight of the financial reporting process;
- Material, corrected misstatements that were brought to the attention of management as a result of our audit procedures;
- Representations we requested from management;
- Management's consultations with other accountants, if any; and
- Significant issues, if any, arising from the audit that were discussed, or the subject of correspondence, with management.

In accordance with the requirements of *Government Auditing Standards*, we have attached a copy of our latest external peer review report of our firm to the Contract to Audit Accounts for your consideration and files.

Please sign and return a copy of this letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the financial statements and compliance over major federal and state award programs, including our respective responsibilities.

We appreciate the opportunity to be your financial statement auditors and look forward to working with you and your staff.

Respectfully,

Martin Starnes & Associates, CPAs, P.A.
