Notwithstanding other provisions of federal OMB Circulars-CFR Title 2, Grants and Agreements, Part 200, costs associated with the following activities are unallowable:

Paragraph A.

- (1) Attempts to influence the outcomes of any Federal, State, or local election, referendum, initiative, or similar procedure, through in kind or cash contributions, endorsements, publicity, or similar activity;
- (2) Establishing, administering, contributing to, or paying the expenses of a political party, campaign, political action committee, or other organization established for the purpose of influencing the outcomes of elections;
- (3) Any attempt to influence: (i) The introduction of Federal or State legislation; or (ii) the enactment or modification of any pending Federal or State legislation through communication with any member or employee of the Congress or State legislature (including efforts to influence State or local officials to engage in similar lobbying activity), or with any Government official or employee in connection with a decision to sign or veto enrolled legislation;
- (4) Any attempt to influence: (i) The introduction of Federal or State legislation; or (ii) the enactment or modification of any pending Federal or State legislation by preparing, distributing or using publicity or propaganda, or by urging members of the general public or any segment thereof to contribute to or participate in any mass demonstration, march, rally, fundraising drive, lobbying campaign or letter writing or telephone campaign; or
- (5) Legislative liaison activities, including attendance at legislative sessions or committee hearings, gathering information regarding legislation, and analyzing the effect of legislation, when such activities are carried on in support of or in knowing preparation for an effort to engage in unallowable lobbying.

The following activities as enumerated in Paragraph B are excepted from the coverage of Paragraph A:
Paragraph B.

- (1) Providing a technical and factual presentation of information on a topic directly related to the performance of a grant, contract or other agreement through hearing testimony, statements or letters to the Congress or a State legislature, or subdivision, member, or cognizant staff member thereof, in response to a documented request (including a Congressional Record notice requesting testimony or statements for the record at a regularly scheduled hearing) made by the recipient member, legislative body or subdivision, or a cognizant staff member thereof; provided such information is readily obtainable and can be readily put in deliverable form; and further provided that costs under this section for travel, lodging or meals are unallowable unless incurred to offer testimony at a regularly scheduled Congressional hearing pursuant to a written request for such presentation made by the Chairman or Ranking Minority Member of the Committee or Subcommittee conducting such hearing.
- (2) Any lobbying made unallowable by subparagraph A.(3) to influence State legislation in order to directly reduce the cost, or to avoid material impairment of the organization's authority to perform the grant, contract, or other agreement.
- (3) Any activity specifically authorized by statute to be undertaken with funds from the grant, contract, or other agreement.

Paragraph C.

- (1) When an organization seeks reimbursement for indirect costs, total lobbying costs shall be separately identified in the indirect cost rate proposal, and thereafter treated as other unallowable activity costs in accordance with the procedures of subparagraph B.(3).
- (2) Organizations shall submit, as part of the annual indirect cost rate proposal, a certification that the requirements and standards of this paragraph have been complied with.
- (3) Organizations shall maintain adequate records to demonstrate that the determination of costs as being allowable or unallowable pursuant to this section complies with the requirements of this Circular.
- (4) Time logs, calendars, or similar records shall not be required to be created for purposes of complying with this paragraph during any particular calendar month when: (1) the employee engages in lobbying (as defined in subparagraphs (a) and (b)) 25 percent or less of the employee's compensated hours of employment during that calendar month, and (2) within the preceding five-year period, the organization has not materially misstated allowable or unallowable costs of any nature, including legislative lobbying costs. When conditions (1) and (2) are met, organizations are not required to establish records to support the allowability of claimed costs in addition to records already required or maintained. Also, when conditions (1) and (2) are met, the absence of time logs, calendars, or similar records will not serve as a basis for disallowing costs by contesting estimates of lobbying time spent by employees during a calendar month.
- (5) Agencies shall establish procedures for resolving in advance, in consultation with OMB, any significant questions or disagreements concerning the interpretation or application of this section. Any such advance resolution shall be binding in any subsequent settlements, audits or investigations with respect to that grant or contract for purposes of interpretation of this Circular; provided, however, that this shall not be construed to prevent a contractor or grantee from contesting the lawfulness of such a determination.

Paragraph D.

Executive lobbying costs. Costs incurred in attempting to improperly influence either directly or indirectly, an employee or officer of the Executive Branch of the Federal Government to give consideration or to act regarding a sponsored agreement or a regulatory matter are unallowable. Improper influence means any influence that induces or tends to induce a Federal employee or officer to give consideration or to act regarding a federally sponsored agreement or regulatory matter on any basis other than the merits of the matter.

CERTIFICATION REGARDING NONDISCRIMINATION, CLEAN AIR ACT, CLEAN WATER ACT

Certification Regarding Nondiscrimination

The Contractor certifies that it will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (h) the Food Stamp Act and USDA policy, which prohibit discrimination on the basis of religion and political beliefs; and (i) the requirements of any other nondiscrimination statutes which may apply to this Agreement.

The Contractor must comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented by the Department of Labor Regulations (41 CFR Part 60): The Executive Order prohibits federal contractors and federally-assisted construction contractors and subcontractors who do over \$10,000 in Government business in one year from discriminating in employment decisions on the basis of race, color, religion, sex, or national origin. The Executive Order also requires Government contractors to take affirmative action to ensure that equal opportunity is provided in all aspects of their employment.

Meaningful Access for LEP Individuals: **The Contractor** that participate in the SNAP must take reasonable steps to ensure that LEP persons have meaningful access to programs, services, and benefits. This includes the requirement to provide bilingual program information and certification materials and interpretation services to single language minorities in certain project areas. SNAP Contractors that do not provide meaningful access for LEP individuals risk violating prohibitions against discrimination based on National Origin in the Food and Nutrition Act of 2008, as amended, Title VI of the Civil Rights Act of 1964 (Title VI) and SNAP program regulations at 7 CFR 272A(b). They also risk noncompliance with the USDA policy guidance titled, "Guidance to Federal Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons", published in 79 FR 70771 - 70784 (November 28, 2014).

The Contractor should develop an implementing plan to address the language assistance needs of the LEP population served. This may include contracting for oral interpretation services, hiring bilingual staff, arranging telephone interpreters and/or language lines, coordinating community volunteers, translating vital documents, and providing written notice that language services are available in appropriate languages. Quality and accuracy of the language service is critical in order to avoid serious consequences to the LEP person and to the recipient. LEP needs should be considered in developing budgets and front line staff should understand how to obtain language assistance services. For additional assistance and information regarding LEP matters, please also visit <http://www.lep.gov>.

Ensuring Equal Opportunity Access for Persons with Disabilities: **The Contractor** must also ensure equal opportunity access for persons with disabilities. This includes ensuring that communications with applicants, participants, members of the public, and companions with disabilities are as effective as communications with people without disabilities. Contractors that do not provide persons with disabilities equal opportunity access to programs may risk violating prohibitions against disability discrimination in the Rehabilitation Act of 1978, the American with Disabilities Act (ADA) of 1990, as amended, and SNAP program regulations.

DOJ published revised final regulations implementing Title II and Title III of the ADA on September 15, 2010. These regulations are codified at 28 CFR Part 35 "Nondiscrimination on the Basis of Disability in State and Local Government Services" and at 28 CFR Part 36 "Nondiscrimination on the Basis of Disability in Public Accommodations and Commercial Facilities". In accordance with the implementing regulations, Contractors must provide auxiliary aids and services where necessary to ensure effective communication and equal opportunity access to program benefits for individuals with

disabilities. The type of auxiliary aids and services required will vary, but a Contractor may not require an individual with a disability to bring another individual to interpret, and may rely on a person accompanying a disabled individual only in limited circumstances. When a Contractor communicates with applicants and beneficiaries by telephone, it must provide text telephone services (TTY) or have access to an equally effective electronic telecommunications system to communicate with individuals who are deaf, hard of hearing, or hearing impaired. Contractors must also ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities. For more information, please visit the ADA website: <http://www.ada.gov>.
