

Land Transfer from Chatham  
County to Orange County

# Background

- Mt. Carmel Baptist Church is preparing to initiate construction projects associated with their master plan initiation.
- The church's property is split by the county line with 4.6 acres of their property in Chatham County.
- They have been working with NC Rep. Verla Insko to introduce a legislative act to transfer 4.6 acres of their property in Chatham to Orange.
- A legislative act is required to transfer this property and change the county boundary line as a result.

# Location

# Request

- Approval of both Orange and Chatham County Boards for the transfer.
- Adoption of a resolution in support of the transfer
