Vote on a request to accept \$2,500 to support prenatal care data extraction from UNC Family Medicine grant

Action Requested: Vote on a request to accept \$2,500 to support prenatal care data extraction from UNC Family Medicine grant

Introduction & Background: UNC Family Medicine received grant funds to assess birth outcomes through the new maternity care center at Chatham Hospital.

Discussion & Analysis: The Chatham County Public Health Department is a partner on this project and shares prenatal care data with UNC researchers conducting this analysis. To support this data extraction process, UNC Family Medicine will provide \$2,500 in grant funds to Chatham County Public Health Department

How does this relate to the Comprehensive Plan: N/A

Budgetary Impact: No local funding requested

Recommendation: Vote on a request to accept \$2,500 to support prenatal care data extraction from UNC Family Medicine grant
