### Chatham County Agriculture and Conference Center Policy Revisions

Action Requested: Approve the latest revisions to the CCACC Policy

Introduction & Background: The Chatham County Agriculture and Conference Center (CCACC) Policy was approved at the November 14, 2016 BOC meeting. Staff has advised that additional revisions to the policy may be forthcoming based on reviewing current business patterns or trends. As a result, the revisions are as follows:

CCACC prohibits animals, insects, and reptiles inside the conference center unless it is identified as a service animal as defined by the ADA ([https://www.ada.gov/service\\_animals\\_2010.htm](https://www.ada.gov/service_animals_2010.htm) ). Guests that do not comply with this rule may be asked to leave the premises.

*This revision will be added under the general guidelines section of the CCACC policy.*
