Vote to approve an amendment to extend the termination date of the Early Childhood Community Assessment and Action Plan contract between Chatham County Partnership for Children and Chatham County

Introduction & Background:

The Chatham Partnership for Children has requested an extension of the Early Childhood Community Assessment and Action Plan contract to June 30th, 2024.

Discussion & Analysis:

The project scope associated with this contract aligns with a priority of the ARPA plan approved by the Board of Commissioners.

The proposed agreement extension is intended to enable additional time:

- (1) for the Program Director of the project to complete the remain "Implementation Action Plan", which is an additional, non-fiscal, element of the action plan to the portion of the fiscal-related element of the action plan that was presented to the Board of Commissioners at the January budget retreat. The non-fiscal element of the plan involves components such as community and partnership engagement and collaboration.
- (2) to complete five short videos from hours of raw video footage that will be used to promote the education fund to potential partners.

How does this relate to the Comprehensive Plan:

Providing high-quality education and community options for all ages and incomes that positively impact on indicators such as graduation rates and income level is a stated objective of the Comprehensive Plan. The subject project is intended to provide a comprehensive analysis of the county's early childhood environment, and to offer recommendations for improving this environment to advance this objective.

Budgetary Impact: None

Recommendation/Motion: Motion to approve the amendment of the Early Childhood Community Assessment and Action Plan contract between Chatham County Partnership for Children and Chatham County.
