Vote to approve the Hazen and Sawyer Task Order #7 in the amount of \$118,000.00 to assess the current water metering infrastructure

Introduction & Background: Hazen and Sawyer will provide an assessment of Chatham County’s current customer metering program and assist the utility in determining and developing the criteria and conditions to be addressed to successfully implement advanced metering infrastructure.

Discussion & Analysis: Hazen and Sawyer will evaluate and recommend potential modifications to Chatham County existing systems and operations, including whether AMI best meets Chatham County needs.

How does this relate to the Comprehensive Plan:

Budgetary Impact: Budgeted in FY24 Operating Budget

Recommendation/Motion: Vote to approve the Hazen and Sawyer Task Order #7 in the amount of \$118,000.00.
