Vote to amend a contract with Green Revival Landscaping for facilities mowing and award a one-time third year extension.

Action Requested: Approve request to amend a contract with Green Revival Landscaping for facilities mowing and award a one-time third year extension

### Introduction & Background:

In July 2015, the County awarded the mowing of facility buildings to Green Revival Landscaping through a bid process. The Facilities Department mowing contract schedule is one year different from the other three areas of Water Utility, Solid Waste and Recycling, and Recreation. The award of a third year extension would align all departments on the same bid schedule, and will require a formal bid next year for all areas.

How does this relate to the Comprehensive Plan:

Budgetary Impact: None- Mowing services is part of the standard budget allocations.

Recommendation: Vote to approve request to amend a contract with Green Revival Landscaping for facilities mowing and award a one-time third year extension
